

XDS 9MM MAGAZINES - SPRINGFIELD ARMORY XD-S 9MM MAGAZINE

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Same as the mags that came with your pistol, these stainless steel 9mm and .45 ACP magazines resist wear and corrosion for extra-long service life. Molded polymer follower with integrated steel plate reliably raises the slide lock into position after the last round is fired. Base plate removes for cleaning. 9mm 9-round and .45 ACP 7-round models include polymer sleeves that match both backstraps that came with your pistol.

Safety Instruction Guide for XDS 9MM MAGAZINES

Introduction

Thank you for choosing the XDS 9MM MAGAZINES by Springfield Armory. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. It is important to read and understand this manual before using the magazines to ensure your safety and the safety of those around you.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the magazine is compatible with your specific model of Springfield XDS pistol.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect magazines for wear and damage before use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- Use only the recommended ammunition (9mm Luger) with this magazine.
- Store magazines in a cool, dry place to prevent corrosion.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the magazine in any way.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not load more rounds than the magazine's designated capacity.
- Always keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe backstop when firing.
- In case of a malfunction, follow proper clearing procedures and seek assistance if needed.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the magazine into the magazine well until it clicks into place.
- Verify that the magazine is securely locked in position.

2. Loading the Magazine:

- Hold the magazine with the base plate facing down.
- Press the follower down with your thumb to create space for the rounds.
- Insert the rounds one at a time, ensuring they are oriented correctly.
- Do not exceed the maximum capacity of the magazine (8 rounds for 9mm).

3. Using the Magazine:

- Insert the loaded magazine into the firearm.
- Chamber a round by pulling back the slide and releasing it.
- Follow safe handling practices while shooting.

4. Unloading the Magazine:

- Point the firearm in a safe direction.

- Remove the magazine by pressing the magazine release button.
- Ensure the firearm is clear of any rounds before handling further.

Disposal Instructions

- Dispose of old or damaged magazines according to local regulations.
- Do not throw magazines in regular trash; consider recycling options if applicable.
- Ensure that any disposed magazines are rendered unusable to prevent misuse.

Contact Information for Further Support

For any safety inquiries or concerns regarding the XDS 9MM MAGAZINES, please consult the relevant authorities or your local Springfield Armory representative. Always stay informed about product recalls and safety updates through official channels.

Conclusion

Your safety is of utmost importance. By following these instructions and guidelines, you can ensure the safe and effective use of your XDS 9MM MAGAZINES. Stay informed and practice responsible firearm ownership.
