Safety Instruction Guide for the 10/22® Competition Bolt Recoil Rod & Spring

Introduction

Thank you for choosing the 10/22® Competition Bolt Recoil Rod & Spring by Volquartsen. This product is designed to enhance the performance of your Ruger 10/22 firearm. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding safety guidelines, installation, and usage.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Store this product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the recoil rod and spring for signs of wear or damage.
- Familiarize yourself with the specific safety features and operating instructions of your Ruger 10/22.

Specific Safety Precautions for Use

- Use only the Volquartsen Competition Bolt with this recoil rod and spring assembly.
- Do not modify the recoil rod or spring in any way.
- Ensure that all components are properly installed before use.
- If you experience any malfunctions or unusual behavior, discontinue use immediately and consult a qualified gunsmith.
- Keep your hands and face clear of the action during operation to avoid injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., screwdriver).

2. Installation Steps:

- Remove the existing bolt from the Ruger 10/22.
- Carefully detach the old recoil rod and spring.
- Align the new Volquartsen recoil rod with the bolt assembly.
- Insert the new recoil spring onto the recoil rod.
- Reattach the bolt to the firearm, ensuring it is securely in place.

3. Usage:

- After installation, perform a function check to ensure everything is operating correctly.
- Regularly clean and maintain the recoil rod and spring to ensure optimal performance.

Disposal Instructions

- Dispose of old recoil rods and springs in accordance with local regulations.
- Do not dispose of these items in regular household waste.
- Consider recycling components where possible.

Conclusion

By adhering to these safety guidelines and instructions, you can ensure the safe and effective use of your 10/22® Competition Bolt Recoil Rod & Spring. Always prioritize safety and be aware of the responsibilities that come with firearm ownership. Thank you for choosing Volquartsen.
