# KG1 CARBON REMOVER Safety Instruction Guide

## Introduction

Thank you for choosing the KG1 CARBON REMOVER, 32 OZ by KG PRODUCTS. This product is designed to effectively remove carbon deposits from various firearms while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and responsibly.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep the product out of reach of children and pets.
- Use the product only for its intended purpose as described in this guide.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling the product.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Do not mix with other chemicals unless specified.

## Specific Safety Precautions for Use

- Avoid inhaling vapors. Use in a wellventilated area.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- In case of skin contact, wash the affected area with soap and water. If irritation persists, consult a physician.
- If the product comes into contact with eyes, rinse immediately with plenty of water and seek medical advice if irritation continues.
- Dispose of any unused product or waste in accordance with local regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before applying the product.
- Gather all necessary tools and materials, including gloves and a cleaning cloth.

### 2. Application:

- Shake the bottle of KG1 CARBON REMOVER well before use.
- Apply a small amount of the remover onto a cleaning cloth or directly onto the carbon deposits.
- Allow the product to sit for a few minutes to penetrate the carbon buildup.

### 3. Cleaning:

- Wipe the area with the cleaning cloth, applying gentle pressure to remove carbon deposits.
- For stubborn deposits, reapply the product and let it sit for an additional few minutes before wiping again.

### 4. Final Steps:

- Once cleaning is complete, ensure that all residues of the remover are wiped away.
- Clean your firearm according to the manufacturer's instructions to ensure proper maintenance.

## **Disposal Instructions**

- Dispose of the product and any cleaning materials used in accordance with local waste disposal regulations.
- Do not pour the product down the drain or dispose of it in general household waste.
- Check with local authorities for specific disposal guidelines for hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the KG1 CARBON REMOVER, please contact the appropriate local authorities or consumer safety organizations in your area.

Thank you for using KG1 CARBON REMOVER responsibly. Your safety and the safety of others is our priority.
