# Safety Instruction Guide for ADRMR Offset Mount

## Introduction

Thank you for choosing the ADRMR Offset Mount by American Defense Manufacturing. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that all components are in good condition and free from defects before installation.
- Always follow the manufacturer's instructions for installation and use.
- Use the product only for its intended purpose as specified in the product description.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the mount for wear and tear, and replace any damaged parts immediately.
- In case of any malfunction or damage, discontinue use and contact the manufacturer for assistance.

## Specific Safety Precautions for Use

- Always ensure that the optic is securely mounted to prevent accidental dislodging during use.
- Be aware of your surroundings when using the mounted optic to avoid potential hazards.
- Do not exceed the manufacturer's weight limit for mounted optics.
- Ensure that your firearm is unloaded when installing or adjusting the mount.
- Use appropriate eye protection when handling or using firearms equipped with the mounted optic.
- Follow all local laws and regulations regarding firearm use and modifications.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Gather Tools Needed:

- Screwdriver
- Allen wrench (if applicable)
- Torque wrench (recommended for precise installation)

#### 2. Prepare the Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.

#### 3. Attach the Mount:

- Identify the mounting location on the firearm.
- Align the ADRMR Offset Mount with the mounting holes.
- Insert screws and tighten securely using the appropriate tools.
- Use a torque wrench to ensure screws are tightened to the manufacturer's specifications.

#### 4. Mount the Optic:

- Place the optic onto the mount.
- Secure the optic using the provided screws, ensuring it is firmly in place.

#### 5. Final Inspection:

- Doublecheck all screws and components to ensure everything is secure.

- Conduct a visual inspection of the mount and optic for any signs of damage.

## **Usage Instructions**

- Before each use, verify that the optic is securely mounted and functioning properly.
- Familiarize yourself with the adjustment features of the optic for optimal performance.
- Practice safe handling and shooting techniques while using the mounted firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is broken or no longer usable, recycle where possible to minimize environmental impact.
- Do not dispose of any electronic components in regular household waste; follow ewaste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the ADRMR Offset Mount, please refer to the manufacturer's website or contact their support team for assistance. Ensure that you have the product details on hand to facilitate a quicker response.

This guide is designed to ensure your safety and the effective use of the ADRMR Offset Mount. Always prioritize safety and follow the guidelines provided in this document. Thank you for your attention to these important safety measures.
