# MOSSBERG HEAT SHIELD USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MOSSBERG 590A1 Heat Shield. This product is designed to enhance the safety and performance of your Mossberg shotgun. Please read this safety instruction guide carefully to ensure safe installation, usage, and disposal of the heat shield.

## General Safety Guidelines

- Always ensure the shotgun is unloaded before installing or handling the heat shield.
- Never point the shotgun at anything you do not intend to shoot.
- Keep the heat shield out of reach of children and unauthorized users.
- Regularly inspect the heat shield for any signs of wear or damage.
- Follow all local laws and regulations regarding shotgun usage and modifications.

## Specific Safety Precautions for Use

- Ensure proper installation to avoid any risks of detachment during use.
- Do not use the heat shield if it shows signs of damage or if any part is missing.
- Avoid exposing the heat shield to extreme temperatures or harsh chemicals.
- Wear appropriate protective gear, such as safety glasses, when handling the shotgun.
- Be aware of your surroundings and ensure a clear shooting area.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the shotgun is completely unloaded. Remove any existing accessories that may interfere with the installation.
2. **Positioning:** Align the heat shield with the barrel of the Mossberg 590A1 shotgun.
3. **Securing:** Use the appropriate mounting hardware (not included) to secure the heat shield in place. Ensure it is tightly fitted to prevent movement.
4. **Final Check:** Doublecheck that the heat shield is securely attached before using the shotgun.

### Usage

- After installation, familiarize yourself with the heat shield and its placement.
- Always handle the shotgun with care, observing all safety protocols.
- Regularly check the heat shield for stability during use, especially after extended firing sessions.

## Disposal Instructions

- Dispose of the heat shield in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the product in regular household waste.
- If the heat shield is damaged beyond use, consider recycling materials where possible.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's official contact points.

By following these guidelines, you can ensure a safe and effective experience with your MOSSBERG 590A1 Heat Shield. Always prioritize safety and compliance with local regulations when handling firearms and accessories.
