# FULL LENGTH SIZING DIES REDDING 9MM LUGER FULL LENGTH SIZING DIE Safety Instruction Guide

## Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 9MM LUGER FULL LENGTH SIZING DIE. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the sizing die.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, such as eye protection and gloves, when handling the sizing die.
- Handle the die carefully to avoid cuts or injuries from sharp edges.
- Ensure that the die is securely installed in your reloading press before use.
- Use a headspace gauge when setting up the full length sizing die to ensure proper function.
- Avoid exceeding the recommended sizing limits to prevent damage to the die or cartridges.
- Do not attempt to modify or alter the die in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and free of debris.
- Insert the FULL LENGTH SIZING DIE into the reloading press according to the manufacturer's instructions.
- Secure the die in place, ensuring it is tight and stable.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the cartridge case into the die, ensuring proper alignment.
- Apply pressure to the reloading press handle to size the cartridge case fully.
- After sizing, remove the case and inspect it for proper dimensions and any signs of damage.

### 3. Decapping Assembly:

- The die includes a decapping assembly; ensure it is correctly installed before use.
- Follow the manufacturer's instructions for replacing or adjusting the decapping pin as needed.

## Disposal Instructions

- Dispose of any unused or damaged product components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for proper disposal methods for metal and plastic components.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the manufacturer's website or contact their customer service department. Ensure you have the product details available when seeking assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your FULL LENGTH SIZING DIES REDDING 9MM LUGER FULL LENGTH SIZING DIE. Thank you for prioritizing safety in your reloading practices.
