

# AD-170 STANDARD BASE - AMERICAN DEFENSE MANUFACTURING

## AD-170 BASE MOUNT STANDARD LEVER BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The AD-170 base is the foundation for several different mounts. Standalone it is a Surefire 951 Type weapons light mount. Alternatively it can accept several different risers to accomodate a variety of uses. It is precision machined from 6061 T6 aluminum and finished in hard coat T3 Mil-Spec anodize. It features the Patented QD Auto Lock Lever system to accommodate both in spec and out of spec rail systems.

# Safety Instruction Guide for AD170 STANDARD BASE

## Introduction

Thank you for choosing the AD170 Standard Base from American Defense Manufacturing. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the product for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any unusual behavior or performance issues, discontinue use immediately and contact customer support.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to equipment failure.
- Using the product with incompatible accessories may compromise safety.
- Failure to follow usage instructions may result in accidents or injuries.

### • Avoiding Hazards:

- Ensure that the mounting surface is clean and free of debris before installation.
- Do not exceed the weight limits specified for the product.
- Always use the product in accordance with the manufacturer's guidelines.
- Be cautious when handling sharp tools or components during installation.

### • Age Specific Warnings:

- This product is not intended for use by children. Keep it out of their reach.
- Ensure that any individuals assisting with installation are of appropriate age and capable of following safety instructions.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools and components before starting the installation.
- Ensure that the installation area is well lit and free of distractions.
- Follow these steps for proper installation:
  - Identify the location where the base will be mounted.
  - Clean the mounting surface thoroughly.
  - Align the AD170 base with the mounting surface.
  - Secure the base using the appropriate screws and tools, ensuring it is tightly fastened.
  - If using risers, ensure they are compatible with the AD170 base and follow the

manufacturer's instructions for installation.

## 2. Usage:

- Once installed, confirm that the base is securely mounted before attaching any accessories.
- When attaching accessories, ensure they are compatible with the AD170 base.
- Regularly check the tightness of all connections and components during use.
- Do not modify the product or use it in a manner not intended by the manufacturer.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and aluminum materials.
- Do not dispose of the product in regular household waste.
- Consider recycling the product to minimize environmental impact.

## Contact Information for Further Support

For any inquiries or further assistance regarding the AD170 Standard Base, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety and compliance with these guidelines. Your careful attention helps ensure a safe and enjoyable experience with your AD170 Standard Base.
