## Collapsible Rod Carries Easily In The Field; Clears Obstruction Fast

Segmented aluminum tubing with internal stainless steel cable assemble quickly into a rigid cleaning rod for emergency field use. Collapses into a compact package only 5" long. A must-have for dislodging snow, ice, mud and other bore obstructions you could encounter on remote hunting trips. Also comes in handy for loosening stuck cases, shotgun shells or wads. Fits .22 to .54 caliber barrels up to 26" long, 20 to 10 gauge shotgun barrels up to 32" long; plus .410 and 28 gauge barrels up to 26" long. Knurled handle with tension adjustment shaft draws cable tight to lock rod segments in place. Includes a plastic patch loop (.22 caliber), five aluminum jags (.22 to .54 caliber), and nylon carry case with belt loop.

# RAPID ROD BROWNELLS RAPID ROD Safety Instruction Guide

## Introduction

Thank you for choosing the RAPID ROD BROWNELLS RAPID ROD. This product is designed to assist in cleaning and maintaining firearms effectively in various conditions. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always keep the RAPID ROD out of reach of children and vulnerable individuals.
- Inspect the RAPID ROD before each use for any signs of damage or wear.
- Use the RAPID ROD only for its intended purpose, which is cleaning firearms.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- In case of an emergency or malfunction, cease use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that all firearms are unloaded before using the RAPID ROD for cleaning.
- Avoid using the RAPID ROD in wet or damp conditions to prevent rust and corrosion.
- Do not force the RAPID ROD through a bore obstruction; assess the situation and use appropriate methods to clear the obstruction.
- When using the RAPID ROD, maintain a firm grip on the handle to prevent slipping.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the RAPID ROD.

## Instructions for Installation and Usage

### 1. Assembly:

- Remove the RAPID ROD from its carry case.
- Connect the segmented aluminum tubing by aligning the segments and twisting them together until secure.

### 2. Using the RAPID ROD:

- Attach the appropriate jag or patch loop to the end of the RAPID ROD.
- Insert the RAPID ROD into the bore of the firearm, ensuring it is aligned properly.
- Pull the RAPID ROD through the bore gently to clean it, avoiding excessive force.
- Repeat the process as necessary until the bore is clean.

### 3. Disassembly:

- After use, carefully remove the RAPID ROD from the bore.
- Disassemble the segments by twisting them apart and store them in the carry case for protection.

## Disposal Instructions

- Dispose of any broken or damaged components of the RAPID ROD in accordance with local regulations.
- Do not dispose of the RAPID ROD in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the contact information provided with your purchase or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the RAPID ROD BROWNELLS RAPID ROD. If you have any questions or concerns, please seek assistance before using the product. Thank you for prioritizing safety in your firearm maintenance practices.
