

LEVER ACTION LEVER SCOUT MOUNT - XS SIGHT SYSTEMS WINCHESTER 94 SCOUT MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Mounts Scope Over Barrel For Fast Sighting

Lightweight, Weaver-style mount positions an extended eye relief scope forward of the receiver for quick, both-eyes-open sighting. Weaver-style base features multiple cross slots for attaching a wide range of electronic and optical sights. Mounts to existing holes and rear sight dovetail. Sets low to allow use of iron sights without removing mount. Requires no modifications to rifle. Marlin models available for 1895 Guide Gun, 1894 and 336 rifles. Winchester fits Model 94's with rear sight dovetail 4" forward of receiver. a

Safety Instruction Guide for LEVER ACTION LEVER SCOUT MOUNT XS SIGHT SYSTEMS WINCHESTER 94 SCOUT MOUNT

Introduction

Thank you for choosing the LEVER ACTION LEVER SCOUT MOUNT from XS SIGHT SYSTEMS, designed specifically for the Winchester Model 94. This guide provides essential safety information, installation instructions, and usage tips to ensure your product is used safely and effectively.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the mount is compatible with your rifle model to avoid any safety hazards.
- Inspect the mount regularly for any signs of wear or damage.
- Store the mount in a safe place away from children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Do not attempt to modify the mount or your rifle in any way that is not recommended in this guide.
- Always ensure that the rifle is unloaded before installing or adjusting the mount.
- Use appropriate tools as specified in the installation instructions to avoid injury.
- When using the scope, ensure that the eye relief is properly adjusted to prevent eye strain or injury.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- If you are inexperienced with firearms, seek assistance from a qualified individual before use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a plastic punch, hex wrench, and Loctite (included).
- Ensure that your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Identify the existing holes and rear sight dovetail on your Winchester Model 94.
- Align the mount with the existing holes and dovetail, ensuring a secure fit.
- Use the hex wrench to tighten the screws, securing the mount in place.
- Apply Loctite to the screws to prevent loosening due to recoil.
- Check that the mount is securely attached and does not move when pressure is applied.

3. Scope Installation:

- Attach your scope to the mount, ensuring it is positioned for optimal eye relief.
- Adjust the scope according to the manufacturer's instructions for best performance.

4. Usage:

- Regularly check the mount and scope for stability and ensure they are securely fastened.
- Practice using the scope in a safe environment before engaging in any hunting or shooting.

activities.

Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- Do not dispose of the product in general waste if it contains electronic components.
- Consider recycling materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or support regarding the LEVER ACTION LEVER SCOUT MOUNT, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using your LEVER ACTION LEVER SCOUT MOUNT. Enjoy your shooting experience responsibly!
