# Safety Instruction Guide for AR15 POST 24/7 TRITIUM STRIPE XS SIGHT SYSTEMS

## Introduction

Thank you for choosing the AR15 POST 24/7 TRITIUM STRIPE XS SIGHT SYSTEMS. This guide provides essential safety instructions to ensure the safe and effective use of your sight system. Please read and understand all sections before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms and related accessories with care.
- Regularly inspect the sight for any signs of damage or wear.
- Keep the sight system out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe environment when using firearms.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for product recalls and safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the sight system only in lowlight tactical situations as intended.
- Avoid looking directly at the tritium source.
- Ensure the sight is securely attached to the firearm before use.
- Do not modify the sight system in any way.
- If the sight becomes damaged, cease use immediately and consult a professional.
- Always wear appropriate eye protection when using firearms.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools, including the sight adjustment tool included with your purchase.
2. **Prepare the Firearm:** Make sure the firearm is unloaded and pointed in a safe direction.
3. **Attach the Sight:**
  - Align the sight post with the mounting area on your AR15.
  - Securely fasten the sight using the appropriate screws or clamps.
  - Ensure the sight is stable and does not move when gently shaken.
4. **Adjust the Sight:**
  - Use the sight adjustment tool to make necessary adjustments.
  - Test the alignment by aiming at a target and adjusting as needed.

### Usage

1. **Check Functionality:** Before each use, verify that the sight is functioning correctly and that the tritium is glowing.
2. **Practice Safe Handling:** Always follow firearm safety rules while using the sight system.
3. **Adjust as Necessary:** If you find that your aim is off, readjust the sight using the sight adjustment tool.

## Disposal Instructions

- Dispose of the sight system in accordance with local regulations for hazardous materials.

- Do not throw the sight in regular trash.
- If the sight is damaged or no longer in use, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or support regarding this product, please refer to the appropriate EU contact point for assistance.

Thank you for prioritizing safety in your use of the AR15 POST 24/7 TRITIUM STRIPE XS SIGHT SYSTEMS.
