## Converts Your Standard Shotgun To A Tactical Workhorse

Ghost ring rear and banded front sights convert your Remington 870, 1100, or 11-87 to a tactical workhorse. Rugged, front sight features green, tritium standard dot surrounded by a thin, white ring for fast target acquisition in low light conditions. Steel side wings guard front blade against blows incurred during heavy-duty use. Supplied shims ensure barrel band clamps snugly around muzzle and holds in place, even under the heaviest recoil.

# Safety Instruction Guide for REMINGTON SHOTGUN TACTICAL GHOST RING SIGHT SET

## Introduction

Thank you for choosing the Remington Shotgun Tactical Ghost Ring Sight Set by XS Sight Systems. This guide provides essential safety information and instructions to ensure safe and effective use of your new sight set. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure the firearm is unloaded before installing or adjusting the sight set.
- Use only compatible models: Remington 870, 1100, or 1187.
- Be aware of your surroundings when using firearms, especially in lowlight conditions.
- Keep the sight and firearm clean and wellmaintained to ensure optimal performance.
- Store the firearm and sight set securely to prevent unauthorized access, especially from children.
- Regularly check for any signs of wear or damage on the sight set and replace if necessary.

## Specific Safety Precautions for Use

- Do not use the sight set if it appears damaged or malfunctioning.
- Avoid using the sight in extreme weather conditions that could affect visibility or performance.
- Ensure that the tritium dot is functioning correctly; if it is dim or not visible, contact a qualified professional for inspection.
- When shooting in lowlight conditions, be mindful of the sight's capabilities and limitations.
- Always wear appropriate eye and ear protection when using firearms.
- Do not modify the sight set or firearm in any way that could compromise safety.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and shims supplied with the sight set.

#### 2. Remove Existing Sights:

- If applicable, carefully remove the existing sights from your firearm using the appropriate tools.

#### 3. Install the Front Sight:

- Position the banded front sight on the barrel.
- Use the supplied shims to ensure a snug fit around the muzzle.
- Tighten the barrel band clamps securely, ensuring they hold the sight in place.

#### 4. Install the Rear Ghost Ring Sight:

- Attach the rear ghost ring sight according to the manufacturer's instructions.
- Ensure that it is securely fastened and properly aligned with the front sight.

#### 5. Final Checks:

- Doublecheck all installations to ensure they are secure.
- Perform a visual inspection to confirm that there are no loose parts.

## **Usage Instructions**

- Align the front sight with the rear ghost ring for accurate aiming.
- Practice using the sight in a controlled environment before engaging in live shooting.
- Regularly check the alignment and functionality of the sight during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the sight set becomes damaged beyond repair, consult local waste management guidelines for proper disposal methods.
- Do not dispose of the sight set in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Remington Shotgun Tactical Ghost Ring Sight Set, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure the safe and effective use of your Remington Shotgun Tactical Ghost Ring Sight Set. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
