

SHOTGUN BIG DOT TRITIUM FRONT SIGHT - REMINGTON PEDESTAL BIG DOT TRITIUM

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Installs Easily Over The Existing Bead Sight

SHOTGUN BIG DOT TRITIUM FRONT SIGHT Highly visible, tritium dot front sight surrounded by a large white ring epoxies over the existing front bead sight to help improve target focus and low light sight acquisition and sight recovery after muzzle flash. Installs over front sight beads from .125" - .140" diameter by filling the cavity on the underside of the sight with Brownells Acraglas Gel, then pressing the sight over the bead and allowing it to fully cure. If existing bead is too small or too large, replace with Brownells #6 bead for 3-56 threads or #26 for 6-48 threads. Some shotgun barrels may require drilling and tapping of existing hole to 6-48 for installation of #26 Brownells bead. Vent Rib model with flat bottom fits shotgun barrels with ventilated ribs. Plain Barrel model with cupped bottom fits round shotgun barrels. Includes instructions. SPECS: Machined steel, black, matte finish. Big Dot .161" (4mm) diameter. Fits beads from .125" (3.2mm) to .140" (3.5mm). Vent Rib fits ventilated ribs. Plain Barrel fits round barrels. Includes instructions.

Safety Instruction Guide for SHOTGUN BIG DOT TRITIUM FRONT SIGHT

Introduction

Thank you for choosing the SHOTGUN BIG DOT TRITIUM FRONT SIGHT. This product is designed to enhance your shooting accuracy and target acquisition in lowlight conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these guidelines:

- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and ammunition securely, out of reach of children.
- Familiarize yourself with local laws and regulations regarding firearm use and safety.
- Inspect the sight and firearm before each use to ensure proper function.
- Do not use the sight if it is damaged or malfunctioning.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the SHOTGUN BIG DOT TRITIUM FRONT SIGHT, please observe the following precautions:

- Ensure that the sight is compatible with your shotgun's bead size before installation.
- Use only Brownells Acraglas Gel for installation to ensure proper adhesion.
- Avoid using the sight if the existing bead is not securely mounted.
- Do not attempt to modify or alter the sight in any way.
- If you experience any issues with visibility or alignment, discontinue use and consult a qualified gunsmith.

Instructions for Installation and Usage

Follow these steps to install and use the SHOTGUN BIG DOT TRITIUM FRONT SIGHT:

1. Preparation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Gather necessary tools, including Brownells Acraglas Gel.

2. Installation:

- Check the diameter of your existing front bead sight. The sight fits beads from .125" (3.2mm) to .140" (3.5mm).
- If the bead is too small or too large, replace it with the appropriate Brownells bead (#6 for 356 threads or #26 for 648 threads).
- For installation of the #26 Brownells bead, drilling and tapping of the existing hole to 648 may be required.
- Fill the cavity on the underside of the sight with Brownells Acraglas Gel.
- Press the sight over the front bead and ensure it is properly aligned.
- Allow the adhesive to fully cure as per the manufacturer's instructions.

3. Usage:

- Once installed, practice using the sight in a safe environment.
- Ensure proper alignment with your target before firing.
- Maintain the sight by regularly checking for any signs of damage or wear.

Disposal Instructions

When disposing of the SHOTGUN BIG DOT TRITIUM FRONT SIGHT, please follow these guidelines:

- Dispose of the sight in accordance with local regulations regarding hazardous materials.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer functional, consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority, and we appreciate your commitment to responsible firearm use.
