

AK-47 TRITIUM SIGHT SET - XS SIGHT SYSTEMS AK-47 EXPRESS TRITIUM SIGHT SET WHITE

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Big Dot Front Sight Puts You On Target Fast; Fully Adjustable Rear Sight For Improved Accuracy

High visibility sight combination easily replaces the factory sights on your AK-47 or variant for fast sight acquisition in high stress or low light conditions. Machined steel set includes an adjustable white stripe, V-notch rear sight and a genuine Trijicon brand tritium lamp with large white ring for the front. Front sight completely replaces the factory windage drum and front sight post. Large, single setscrew in the tangent rear sight provides fine adjustments for elevation; dual setscrews in the dovetailed rear V-notch block securely lock-in your windage settings. Includes installation tools, thread locking agent, and detailed instructions.

AK47 Tritium Sight Set Safety Instruction Guide

Introduction

Thank you for choosing the AK47 Tritium Sight Set from XS Sight Systems. This product is designed to enhance your shooting experience by providing high visibility sights for your AK47 or its variants. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are familiar with the operation of your firearm and its components.
- Use only in accordance with local laws and regulations.
- Always wear appropriate eye and ear protection when using your firearm.
- Keep the product out of reach of children and unauthorized users.
- Inspect the sight set regularly for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- The tritium lamp is a radioactive material; avoid direct contact and do not attempt to disassemble the sight.
- Ensure that the sight set is installed correctly to avoid misalignment, which may affect accuracy.
- Do not use the sight set if it appears damaged or compromised.
- Do not expose the sight set to extreme temperatures or harsh chemicals.
- Always check your firearm's compatibility with the sight set before installation.

Instructions for Installation and Usage

1. Installation Tools Required:

- Provided installation tools
- Thread locking agent (included)

2. Installation Steps:

- Remove the factory sights from your AK47 or variant.
- Install the new front sight by replacing the factory windage drum and front sight post.
- Secure the front sight using the large setscrew provided.
- Install the rear sight by placing it into the dovetailed rear Vnotch block.
- Adjust the rear sight using the dual setscrews to lock in your windage settings.
- Use the adjustable white stripe for elevation adjustments.
- Confirm that all screws are tightened and the sights are secure.

3. Usage:

- Align the front sight within the rear sight's notch for accurate aiming.
- Use the tritium lamp for visibility in low light conditions.
- Practice regularly to become familiar with the sight set and improve accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and hazardous waste.
- If the tritium lamp is damaged, handle it with care and follow local guidelines for radioactive materials.

Contact Information for Further Support

For questions or concerns regarding the AK47 Tritium Sight Set, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any safety inquiries or product issues.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the AK47 Tritium Sight Set!
