

# DXW BIG DOT SIGHTS FOR SMITH & WESSON - XS SIGHT SYSTEMS

## DXW BIG DOT SIGHT SET-S&W M&P SHIELD

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

High-visibility sight combinations put you on target faster in high stress or low light conditions by pulling your eyes to the front sight. Sight set includes non-tritium, white line V-notch for the rear sight, green tritium dot surrounded by a white ring for the front. Low profile, no-snag design is great for carry and combat competition guns. Matched sight sets offer direct replacement of factory sights. Big Dot (BD) front sight has a large, easy-to-see white ring surrounding the tritium dot. Airlite Ti replaces pinned front sight on fixed sight guns, requires drilling for pin.

# DXW Big Dot Sights for Smith & Wesson XS Sight Systems Safety Instruction Guide

## Introduction

Thank you for choosing the DXW Big Dot Sights for your Smith & Wesson M&P Shield. This guide provides important safety information and instructions to ensure the safe use and installation of your sights. Please read this guide carefully before use to maximize your safety and the performance of your product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the sights.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Store the sights and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear. Do not use damaged sights.
- Follow all local laws and regulations regarding firearm and accessory usage.

## Specific Safety Precautions for Use

- The sights are designed for use with the Smith & Wesson M&P Shield and should not be used with other models.
- Avoid using the sights in any conditions that could impair your vision or ability to aim accurately.
- Do not modify the sights in any way, as this may compromise their safety and effectiveness.
- Ensure the sights are properly installed before using your firearm.
- If you experience any issues with the sights, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a screwdriver and any other tools specified in the manufacturer's instructions.

#### 2. Removing Old Sights:

- Carefully remove the existing sights from your M&P Shield using the appropriate tools.
- Dispose of old sights according to local regulations.

#### 3. Installing New Sights:

- Align the rear sight with the designated slot on the slide of your firearm.
- Secure the rear sight using the provided screws or pins, ensuring it is firmly in place.
- For the front sight, if applicable, drill a hole for the pin as per the installation instructions.
- Insert the front sight into the designated slot and secure it.

#### 4. Final Check:

- Inspect both sights to ensure they are firmly installed and correctly aligned.
- Conduct a function check to ensure the sights are operating as intended.

## **Usage Instructions**

- When aiming, focus on the front sight to improve accuracy.
- Maintain a steady grip and stance while using your firearm.
- Practice regularly to become familiar with the sight alignment and target acquisition.

## **Disposal Instructions**

- Dispose of any old or damaged sights in accordance with local regulations.
- Do not dispose of sights in regular household waste. Check for designated disposal sites or programs in your area.

## **Contact Information for Further Support**

For any questions regarding the installation, usage, or safety of your DXW Big Dot Sights, please consult the manufacturer's customer support resources. Ensure that you have your product information ready for any inquiries.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your DXW Big Dot Sights. Always prioritize safety and responsible firearm handling. Thank you for choosing our product, and we wish you the best in your shooting endeavors.
