

# SHOTGUN SHOTRAIL RAIL & REAR SIGHT W/ FRONT SIGHT - XS SIGHT SYSTEMS SHOTRAIL RAIL & REAR SIGHT TRITIUM FRONT MOSS 500/590/930

[Shotgun Parts](#) > [Sights](#) > [Sight Sets](#)

The XS Sights Shotail comes with a Picatinny rail, ghost ring rear sight and a banded standard dot Tritium front sight. The rear rail is constructed from anodized aluminum, and is compatible with Weaver or Picatinny rings & mounts. Rail is pre-drilled for standard Remington or Mossberg receivers. Ghost ring rear sight is precision machined from stress proof steel. Rear sight allows for windage and elevation adjustment. Banded front sight contains a standard Tritium dot front sight post, for high visibility in all lighting conditions. Easy installation, requires no gunsmithing. Fits on barrels that do not have a front sight base or sight rib. Available for Remington 870 or Mossberg 500/590/930.

# Safety Instruction Guide for SHOTGUN SHOTRAIL RAIL & REAR SIGHT with FRONT SIGHT

## Introduction

Thank you for purchasing the SHOTGUN SHOTRAIL RAIL & REAR SIGHT with FRONT SIGHT from XS SIGHT SYSTEMS. This guide provides important safety information, installation instructions, and usage guidelines to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm accessories with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the sight.
- Use protective eyewear when handling firearms and accessories.
- Do not attempt to modify the product in any way.
- Ensure that the sight is securely mounted before using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any issues with the sight, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure that the firearm is unloaded.
- Remove any existing sights or accessories from the firearm as necessary.
- Align the Picatinny rail of the SHOTRAIL with the predrilled holes on the firearm receiver.
- Secure the rail using compatible Weaver or Picatinny rings and mounts.
- Attach the ghost ring rear sight to the rail, ensuring it is firmly in place.
- Install the banded standard dot Tritium front sight on the barrel, ensuring it fits securely.
- Adjust the rear sight for windage and elevation as needed.

### 2. Usage Guidelines:

- Familiarize yourself with the sight's features before using the firearm.
- Test the sight at a safe shooting range to ensure proper alignment and functionality.
- Make adjustments as necessary for optimal performance.
- Always follow safe shooting practices and guidelines.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**
