DXT BIG DOT SUPPRESSOR HEIGHT SIGHTS FOR GLOCK® XS SIGHT SYSTEMS Safety Instruction Guide

Introduction

Thank you for choosing the DXT Big Dot Suppressor Height Sights for your Glock® firearm. This guide provides essential safety instructions to ensure the proper use and maintenance of your sight system. Please read this guide thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the sights are installed by a qualified gunsmith or follow the installation instructions carefully.
- Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- Use appropriate eye and ear protection when handling firearms.
- Keep sights and firearms out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear. If damaged, discontinue use immediately.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper installation may lead to misalignment and affect accuracy.
- Using sights in lowlight conditions may require additional caution.
- Ensure that the sights are compatible with your specific Glock® model.

• Instructions for Avoiding Hazards:

- Confirm that the firearm is unloaded before installation.
- Follow all manufacturer instructions during installation.
- Do not attempt to modify the sights or firearm in any way.
- Always verify sight alignment before use.
- In case of any malfunction, cease use immediately and consult a professional.

• AgeSpecific Warnings:

- These sights are intended for adult use only. Keep out of reach of minors.

Instructions for Installation and Usage

1. Installation:

- Gather necessary tools, including a sight pusher or appropriate screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory sights from your Glock® using the sight pusher or screwdriver.
- Align the new DXT Big Dot Suppressor Height Sights with the mounting dovetail.
- Secure the sights in place, ensuring proper alignment with the firearm's barrel.
- Doublecheck the installation for stability before usage.

2. Usage:

- Familiarize yourself with the sight picture before firing.
- Practice using the sights in various lighting conditions to ensure optimal performance.
- Regularly clean the sights to maintain visibility and functionality.
- Always check for proper function before each use.

Disposal Instructions

- Dispose of any damaged or unusable sights in accordance with local regulations.
- Do not dispose of sights in regular household waste. Consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product concerns, please reach out to the manufacturer or your local dealer. Always refer to the official website for the most up-to-date information and resources.

Thank you for prioritizing safety while using the DXT Big Dot Suppressor Height Sights. Your responsible use contributes to a safer shooting experience.
