# **Safety Instruction Guide for DXT STANDARD DOT SUPPRESSOR HEIGHT SIGHTS FOR GLOCK® XS SIGHT SYSTEMS**

## **Introduction**

Thank you for choosing the DXT Standard Dot Suppressor Height Sights for your Glock® firearm. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your new sights. Please read this document carefully before using the product.

## **General Safety Guidelines**

- Ensure that the sights are compatible with your specific Glock® model: 17, 19, 22, 26, 31, 38.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and sights in a secure location, away from children and unauthorized users.
- Regularly inspect your sights for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates by checking the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

### **• Installation Precautions:**

- Ensure the firearm is unloaded before beginning the installation process.
- Use appropriate tools to install the sights to avoid damaging the firearm or the sights.
- Follow the manufacturer's instructions carefully during installation.

### **• Usage Precautions:**

- Use the sights only for their intended purpose on compatible Glock® models.
- Do not modify the sights or the firearm in any way that could compromise safety.
- Always check the sights for proper alignment and functionality before use.
- Be aware of your surroundings and ensure a safe shooting environment.

### **• Handling Precautions:**

- Avoid pointing the firearm at yourself or others.
- Keep your finger off the trigger until you are ready to shoot.
- Wear appropriate eye and ear protection when using the firearm.

## **Instructions for Installation and Usage**

### **1. Installation Steps:**

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the factory sights from the firearm using the appropriate tools.
- Align the DXT Standard Dot Suppressor Height Sights with the mounting points on your Glock®.
- Securely fasten the sights in place according to the manufacturer's instructions.
- Verify that the sights are properly installed and aligned before using the firearm.

### **2. Usage Steps:**

- Familiarize yourself with the sight picture and alignment.
- Practice using the sights in a safe and controlled environment.
- Adjust your shooting technique as necessary to accommodate the new sights.
- Regularly check the sights for any signs of looseness or misalignment.

## **Disposal Instructions**

- Dispose of any damaged or wornout sights in accordance with local regulations.
- Do not throw sights in regular household waste. Check for specific disposal instructions for firearm accessories in your area.

## **Contact Information for Further Support**

For any questions, concerns, or safety inquiries regarding the DXT Standard Dot Suppressor Height Sights, please refer to the manufacturer's website or contact the retailer from which you purchased the product.

Thank you for prioritizing safety while using your DXT Standard Dot Suppressor Height Sights. Your attention to these guidelines helps ensure a safe and enjoyable experience.
