F8 Night Sight for Glock® Safety Instruction Guide

Introduction

Thank you for purchasing the F8 Night Sight for Glock® from XS Sight Systems. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure the F8 Night Sight is installed correctly to avoid potential hazards.
- Always handle your Glock® pistol with care, following basic firearm safety rules.
- Keep the product out of reach of children and unauthorized users.
- Regularly check the night sights for any signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities immediately.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the F8 Night Sight only with compatible Glock® models: 17, 19, 2224, 26, 27, 3136, and 38.
- Do not attempt to modify or alter the sight in any way.
- Avoid using the sight in conditions where visibility is extremely poor or hazardous.
- Ensure that the sight is clean and free from obstructions before use.
- Always wear appropriate eye protection when handling firearms.

Instructions for Installation and Usage

Installation Instructions

1. Prepare Your Glock®:

- Ensure your Glock® is unloaded and pointed in a safe direction.
- Remove the existing sights using appropriate tools.

2. Install the F8 Night Sight:

- Align the front sight with the designated slot on the slide.
- Secure the sight using the provided screws, ensuring it is firmly in place.
- Repeat the process for the rear sight, ensuring proper alignment.

3. Check Alignment:

- Once installed, visually inspect the alignment of the sights.
- Adjust as necessary to ensure a proper sight picture.

Usage Instructions

- To use the F8 Night Sight effectively, focus on the front sight while aiming.
- Utilize the tritium illumination to assist in lowlight conditions.
- Practice aiming in various lighting conditions to become familiar with the sight picture.

Disposal Instructions

- Dispose of the F8 Night Sight in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or further support regarding the F8 Night Sight, please refer to the manufacturer's website or customer service resources. It is essential to have access to professional guidance for installation and safety inquiries.

By following these guidelines, you can ensure the safe and effective use of your F8 Night Sight for Glock®. Your safety and the safety of those around you are of utmost importance. Thank you for making responsible choices and for your commitment to safe firearm practices.
