# F8 Night Sight for Glock® Safety Instructions

## Introduction

Thank you for choosing the F8 Night Sight for Glock® by XS Sight Systems. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your night sights. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the F8 Night Sight is installed correctly to avoid any potential hazards during use.
- Always handle your firearm in a safe manner, following established safety protocols.
- Regularly inspect your night sights for any signs of damage or wear.
- Keep the night sights clean and free from obstructions to ensure optimal performance.
- Store your firearm and sights in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Only use the F8 Night Sight with compatible Glock® models, specifically Glock 42 and Glock 43.
- Do not attempt to modify or alter the night sights in any way, as this may compromise safety and functionality.
- When using your firearm in lowlight conditions, ensure that you are familiar with the sight picture and how to acquire targets quickly.
- Be mindful of your shooting environment and ensure that you have a clear line of sight before firing.
- If you experience any issues with your night sights, cease use immediately and seek professional assistance.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Required Tools:** You will need a suitable tool for removing the existing sights (e.g., sight pusher or punch).
2. **Remove Existing Sights:** Carefully remove the existing sights from your Glock® using the appropriate tool.
3. **Install the F8 Night Sight:**
  - Align the front sight with the slide.
  - Press or tap the sight into place until it is securely fitted.
4. **Install the Rear Sight:**
  - Align the rear sight with the dovetail on the slide.
  - Ensure it is fitted securely and adjust as necessary for windage.
5. **Check Alignment:** Once installed, check the alignment of both sights to ensure proper sight picture.

### Usage Instructions

- **Aiming:** Focus on the front sight for target acquisition, utilizing the colored ring for enhanced visibility.
- **Shooting Practice:** Regularly practice shooting with the night sights in various lighting conditions to become familiar with their performance.
- **Maintenance:** Clean your night sights periodically with a soft cloth to remove dirt and debris.

## **Disposal Instructions**

- Dispose of the F8 Night Sight and any packaging materials in accordance with local regulations.
- Do not dispose of electronic components in regular waste; check for local recycling programs.

## **Contact Information for Further Support**

For any inquiries regarding the F8 Night Sight for Glock®, please refer to the manufacturer's website or contact their customer service directly for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your F8 Night Sight for Glock®. Always prioritize safety and responsible firearm handling. Thank you for your attention to these guidelines.
