Enhance Your Personal-Defense Pistol

Personal-defense situations happen in all kind of environments, even low-light situations, so pistol owners should prepare to use their guns in all conditions. The XS Sights F8 Night Sights make it easier to pick up targets in low-light and nighttime conditions. The F8 Night Sights are built with high-contrast front sights with easily-seen, colored rings that allow users to focus on the front sight, which is the best practice for quick and accurate pistol shooting. Can be had in green or orange colors Tritium-illuminated sights Rear ledge allows for one-handed racking Provides figure 8 sight picture The XS Sights F8 Night Sights are available for the SIG Sauer P320, P225, P226 and P229, as well as the Springfield XD, XDM and XDs and the FN America FN 509.

F8 Night Sight Safety Instruction Guide

Introduction

Thank you for choosing the F8 Night Sight for your SIG Sauer, Springfield, and FN XS Sight Systems. This guide provides important safety information to ensure the safe use and installation of your night sights. Please read the entire document carefully before using the product.

General Safety Guidelines

- Ensure that all firearms are handled safely and responsibly at all times.
- Only use the F8 Night Sights with compatible firearm models: SIG Sauer P320, P225, P226, P229, Springfield XD, XDM, XDs, and FN America FN 509.
- Always keep firearms unloaded until ready to use.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **LowLight Use:** The F8 Night Sights are designed for lowlight and nighttime conditions. Ensure that you are familiar with their operation in these environments.
- **Focus on Front Sight:** Always focus on the front sight when aiming for quick and accurate shooting.
- **Proper Maintenance:** Regularly inspect your night sights for any signs of wear or damage. Replace them if they become defective.
- **OneHanded Racking:** Use the rear ledge for onehanded racking of your firearm. Practice this technique safely before relying on it in a defensive situation.
- **Age Restrictions:** This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing sights using appropriate tools.
- Carefully install the F8 Night Sights according to the manufacturer's instructions.
- Ensure that sights are securely attached and aligned properly.

2. Usage:

- Familiarize yourself with the sight picture provided by the F8 Night Sights.
- Practice shooting in lowlight conditions to become accustomed to the sights.
- Always follow safe firearm handling practices while using the sights.

Disposal Instructions

- Dispose of any defective or damaged sights in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding the safety of the F8 Night Sights or to report unsafe products, please contact the

manufacturer or refer to the EU's Safety Gate platform for more information.

Thank you for prioritizing safety while using your F8 Night Sights. Enjoy your enhanced shooting experience!
