F8 Night Sight for Walther XS Sight Systems

Safety Instruction Guide

Introduction

Thank you for choosing the F8 Night Sight for your Walther PPS. This guide provides essential safety instructions to ensure the proper and safe use of your new sights. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the F8 Night Sight by following all instructions provided in this guide.
- **Enhanced Recalls:** Be aware of any recall notices regarding this product. If a recall occurs, you will be notified promptly with instructions on how to proceed.
- **Online Shopping:** If you purchased this product online, ensure that the seller adheres to safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries regarding this product, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle your firearm responsibly. Ensure that the firearm is unloaded when installing or adjusting sights.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting that may affect sight performance.
- **Inspection:** Regularly check the sights for any signs of damage or wear. If you notice any issues, discontinue use immediately and seek assistance.
- **Visibility:** Ensure that the sights are properly aligned and visible under different lighting conditions before use.
- **Shooting Environment:** Use the sights in appropriate environments and conditions. Avoid using them in extreme weather or low visibility situations unless you are familiar with their operation.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Firearm:** Ensure that your Walther PPS is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** If applicable, carefully remove the existing sights from your firearm.
3. **Align the F8 Night Sights:** Position the front and rear F8 Night Sights onto their respective mounting locations.
4. **Secure the Sights:** Use the provided screws or tools to secure the sights in place. Ensure they are tightened adequately but do not overtighten to avoid damage.
5. **Check Alignment:** Once installed, visually inspect the alignment of the sights to ensure they are straight and properly positioned.

Usage Instructions

- **Aiming:** Use the figure8 style sight picture provided by the F8 Night Sights for accurate aiming. Ensure that the large ring in the front sight post is clearly visible.
- **Lighting Conditions:** The Tritiumilluminated sights will glow in lowlight conditions. Familiarize yourself with their visibility in different lighting to maximize their effectiveness.

- **Practice:** Regular practice with the sights will help improve your aiming speed and accuracy during shooting.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the F8 Night Sights according to local regulations regarding electronic waste and firearm accessories.
- **Recycling:** If possible, recycle components of the sights that can be recycled. Consult your local waste management facility for guidance.

Contact Information for Further Support

For any questions or concerns regarding the F8 Night Sight, please refer to the manufacturer's contact information provided with your purchase. Ensure you have your purchase details ready for reference.

By following these safety instructions, you can ensure the safe and effective use of your F8 Night Sight. Always prioritize safety when handling firearms and seek professional assistance if you have any uncertainties. Thank you for choosing XS Sight Systems.
