

DXT2 BIG DOT FOR GLOCK® 9/40 - XS SIGHT SYSTEMS DXT2 BIG DOT ORANGE GLOCK 9/40

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A Sight Set Up for Easy Aiming

In a defensive handgun, having the right sighting system that'll get you on-target fast and easy is an essential element. That's the aim behind the XS Sights DXT2 Big Dot night sights, which feature a unique, intuitive aiming system designed to get shooters on target faster at defensive distances when using their popular Glock handguns. Each pair of XS Sights DXT2 Big Dot night sights are built with a tritium-illuminated, round front sight that allow for fast targeting in the dark, while a photoluminescent ring around the tritium lamp also allows for easy aiming when moving from bright to dark environments. The front sight is combined with the company's rear-sight design that incorporates a vertical, tritium-illuminated stripe. When it comes to aiming, getting your gun on target is fast and instinctive: just dot the i! The XS Sights DXT2 Big Dot night sights are constructed with a shallow rear notch for a greater field of view, and the sight is designed for rapid aiming at targets inside of 15 yards. This particular pair of DXT sights are sized right for most of today's popular double-stack Glock handguns. The sights fit all common holsters and may require filing to fit into the dovetail.

Safety Instruction Guide for DXT2 Big Dot for Glock® 9/40 XS Sight Systems

Introduction

Thank you for choosing the DXT2 Big Dot for Glock® 9/40 XS Sight Systems. These night sights are designed to enhance your aiming capabilities in various lighting conditions. This guide provides important safety instructions, usage guidelines, and disposal information to ensure your safety and the proper use of this product.

General Safety Guidelines

- Always treat your handgun as if it is loaded.
- Ensure that you are familiar with the operation of your Glock handgun before installing or using the sights.
- Only use the DXT2 sights on compatible Glock models as specified in the product information.
- Keep the sights and your handgun out of reach of children and unauthorized users.
- Regularly check the sights for any signs of damage or wear.
- If you notice any defects or malfunctions, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the sights are securely installed before using your handgun.
- Use the sights only under appropriate lighting conditions; while they are designed for lowlight use, ensure you have sufficient visibility to handle your firearm safely.
- Avoid using the sights in extreme weather conditions that may affect their performance, such as heavy rain or snow.
- Do not attempt to modify or disassemble the sights, as this may compromise their safety and functionality.
- Be aware of your surroundings and ensure that you are in a safe environment when aiming and firing your handgun.

Instructions for Installation and Usage

1. Installation:

- Ensure your Glock handgun is unloaded before beginning installation.
- Remove the existing sights using a sight pusher or appropriate tool.
- Clean the dovetail area to ensure a proper fit.
- Align the DXT2 Big Dot front sight in the dovetail and press it into place.
- Install the rear sight in the same manner, ensuring it is properly aligned with the front sight.
- Check that both sights are securely fitted and do not move.

2. Usage:

- To aim, align the front sight dot with the rear sight notch.
- Focus on the front sight while keeping the target in your peripheral vision.
- Practice aiming in various lighting conditions to become familiar with the sighting system.
- Regularly practice at the range to maintain proficiency with your handgun and sights.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the sights are damaged, consult with local waste management for proper disposal methods.
- Do not dispose of the sights in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional support regarding the DXT2 Big Dot for Glock® 9/40 XS Sight Systems, please refer to the manufacturer's official website or contact their customer service directly. Always ensure you have the product details and any relevant information available when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and the safe use of your product are of utmost importance. Please read and follow all instructions carefully.
