

# DXT2 BIG DOT FOR GLOCK® 9/40 - XS SIGHT SYSTEMS DXT2 BIG DOT YELLOW GLOCK 9/40

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

## A Sight Set Up for Easy Aiming

In a defensive handgun, having the right sighting system that'll get you on-target fast and easy is an essential element. That's the aim behind the XS Sights DXT2 Big Dot night sights, which feature a unique, intuitive aiming system designed to get shooters on target faster at defensive distances when using their popular Glock handguns. Each pair of XS Sights DXT2 Big Dot night sights are built with a tritium-illuminated, round front sight that allow for fast targeting in the dark, while a photoluminescent ring around the tritium lamp also allows for easy aiming when moving from bright to dark environments. The front sight is combined with the company's rear-sight design that incorporates a vertical, tritium-illuminated stripe. When it comes to aiming, getting your gun on target is fast and instinctive: just dot the i! The XS Sights DXT2 Big Dot night sights are constructed with a shallow rear notch for a greater field of view, and the sight is designed for rapid aiming at targets inside of 15 yards. This particular pair of DXT sights are sized right for most of today's popular double-stack Glock handguns. The sights fit all common holsters and may require filing to fit into the dovetail.

# DXT2 BIG DOT FOR GLOCK® 9/40 XS SIGHT SYSTEMS Safety Instructions

## Introduction

Thank you for choosing the DXT2 Big Dot for Glock® 9/40 from XS Sight Systems. This product is designed to enhance your shooting experience by providing an intuitive aiming system for defensive situations. It is essential to follow these safety instructions to ensure safe and effective use of your night sights.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are familiar with your firearm's handling and operation before using this product.
- Use only in accordance with local laws and regulations.
- Keep the sights clean and free from obstructions to maintain optimal performance.
- Inspect the sights regularly for any signs of damage or wear.
- Avoid using the sights in conditions that exceed their designed capabilities, such as extreme temperatures or environments with excessive moisture.

## Specific Safety Precautions for Use

- **Proper Installation:** Ensure that the sights are installed correctly to avoid misalignment, which could lead to inaccurate shooting.
- **Target Practice:** Always practice in a safe environment, using appropriate targets and backstops.
- **Night Use:** The tritium illumination is designed for lowlight conditions. Be aware that bright light may temporarily affect visibility.
- **Children and Vulnerable Groups:** Keep firearms and accessories out of reach of children and unauthorized users.
- **Personal Protective Equipment:** Use appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing sights from your Glock handgun.
- Align the DXT2 Big Dot sights with the dovetail cut on your Glock.
- If necessary, file the sights to ensure a proper fit.
- Securely fasten the sights into place, ensuring they are aligned correctly.

### 2. Usage:

- Familiarize yourself with the sighting system by practicing in a controlled environment.
- When aiming, focus on the front sight dot and align it with the target.
- In lowlight conditions, allow the tritium illumination to guide your aim. The photoluminescent ring will assist in transitioning from bright to dark environments.
- Practice rapid aiming to enhance your instinctive shooting skills.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in regular household waste.
- If the sights become damaged or reach the end of their useful life, consult local hazardous waste

guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding your DXT2 Big Dot sights, please refer to the manufacturer's website or your local retailer for assistance. It is important to ensure you have access to support for safe and effective use of your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your DXT2 Big Dot for Glock® 9/40 XS Sight Systems. Stay safe and shoot responsibly!
