

DXT2 BIG DOT FOR GLOCK™ 43/42 - XS SIGHT SYSTEMS DXT2 BIG DOT SIGHT SET ORANGE G43/42

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

An Easily Seen Big Dot for Aiming Under Stress

Having the right sights on your small, compact handgun can make the difference in a fight, and the XS Sights DXT2 Big Dot night sights are built right to encourage the front-sight focus needed to get fast, accurate rounds on target when it counts, even in low-light or nighttime conditions. Each pair of XS Sights DXT2 Big Dot night sights are built with a tritium-illuminated, round front sight that allow for fast targeting in the dark, while a photoluminescent ring around the tritium lamp also allows for easy aiming when moving from bright to dark environments. The front sight is combined with the company's rear-sight design that incorporates a vertical, tritium-illuminated stripe. When it comes to aiming, getting your gun on target is fast and instinctive: just dot the i! The XS Sights DXT2 Big Dot night sights are constructed with a shallow rear notch for a greater field of view, and the sight is designed for rapid aiming at targets inside of 15 yards. This particular pair of DXT sights are sized right for the Glock G42 and G43. The sights fit all common holsters and may require filing to fit into the dovetail.

Safety Instruction Guide for DXT2 Big Dot Sight Set for Glock™ 43/42

Introduction

Thank you for choosing the DXT2 Big Dot Sight Set for your Glock™ 43/42. This guide provides important safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the sights are compatible with your specific handgun model (Glock™ 43/42).
- Always handle firearms with care and follow standard firearm safety practices.
- Inspect the sights regularly for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Use the sights only for their intended purpose as stated in this guide.
- Be aware of your surroundings and ensure a safe environment when aiming and shooting.

Specific Safety Precautions for Use

- The DXT2 Big Dot sights are designed for lowlight conditions; however, they should not be relied upon solely in all lighting situations.
- Avoid using the sights if they are damaged or malfunctioning.
- Do not attempt to modify the sights in any way that could compromise their integrity or safety.
- Always ensure that your firearm is unloaded when installing or adjusting the sights.
- Use proper eye protection when shooting to prevent injury from debris or ricochets.

Instructions for Installation and Usage

1. Preparation

- Ensure that your Glock™ 43/42 is unloaded and pointed in a safe direction.
- Gather necessary tools, such as a sight pusher or appropriate filing tools if required.

2. Installation

- Remove the existing sights from your Glock™ using a sight pusher or appropriate tool.
- Align the DXT2 Big Dot sights with the dovetail on the slide of your handgun.
- If necessary, file the sights to ensure a proper fit in the dovetail.
- Securely fasten the sights in place, ensuring they are aligned correctly.

3. Aiming and Usage

- To aim, ensure the front sight is aligned with the rear sight and the target.
- Focus on the front sight while keeping the rear sight and target slightly blurred.
- Practice aiming in various lighting conditions to familiarize yourself with the sights.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If you need to dispose of the sights, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage, please consult the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and responsible firearm handling. Enjoy your shooting experience with the DXT2 Big Dot Sight Set.
