[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

## **An Easily Seen Big Dot for Aiming Under Stress**

Having the right sights on your small, compact handgun can make the difference in a fight, and the XS Sights DXT2 Big Dot night sights are built right to encourage the front-sight focus needed to get fast, accurate rounds on target when it counts, even in low-light or nighttime conditions. Each pair of XS Sights DXT2 Big Dot night sights are built with a tritium-illuminated, round front sight that allow for fast targeting in the dark, while a photoluminescent ring around the tritium lamp also allows for easy aiming when moving from bright to dark environments. The front sight is combined with the company's rear-sight design that incorporates a vertical, tritium-illuminated stripe. When it comes to aiming, getting your gun on target is fast and instinctive: just dot the i! The XS Sights DXT2 Big Dot night sights are constructed with a shallow rear notch for a greater field of view, and the sight is designed for rapid aiming at targets inside of 15 yards. This particular pair of DXT sights are sized right for the Glock G42 and G43. The sights fit all common holsters and may require filing to fit into the dovetail.

# Safety Instruction Guide for DXT2 Big Dot Sight Set for Glock™ 43/42

## Introduction

Thank you for choosing the DXT2 Big Dot Sight Set for your Glock™ 43/42. This guide provides important safety instructions, general guidelines, and specific precautions to ensure the safe and effective use of your new sights. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the sights are compatible with your firearm model (Glock™ 43/42).
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect your sights for any signs of wear or damage.
- Use only in accordance with local laws and regulations regarding firearm accessories.
- Keep the sights out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure your firearm is unloaded before installing or adjusting the sights.
- Avoid using the sights in extreme conditions that may affect their performance (e.g., extreme heat, cold, or moisture).
- Be aware that tritiumilluminated sights may have a limited lifespan and should be checked regularly.
- Do not attempt to modify or disassemble the sights beyond the manufacturer's recommendations.
- Always use proper eye and ear protection when handling firearms.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Prepare Your Firearm:

- Ensure your Glock™ 43/42 is unloaded.
- Remove any existing sights if applicable.

#### 2. Install the Front Sight:

- Align the front sight in the dovetail slot.
- Use a sight pusher or appropriate tool to secure the front sight in place.
- Ensure it is firmly in position without excessive force.

#### 3. Install the Rear Sight:

- Align the rear sight in the dovetail slot at the back of the slide.
- Use a sight pusher to adjust and secure the rear sight.
- Confirm that the rear sight is properly aligned with the front sight.

#### 4. Final Check:

- Once installed, check the alignment of the sights.
- Ensure that both sights are secure and do not move when pressure is applied.

## Usage Instructions

- To aim effectively with the DXT2 Big Dot sights:
  - Focus on the front sight while keeping the target in your peripheral vision.
  - Align the front dot with the rear sight notch to achieve accurate targeting.
  - Practice aiming in various lighting conditions to become accustomed to the sights' features.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the sights are damaged or no longer functional, do not attempt to repair them.
- Consider recycling components where applicable.

## Contact Information for Further Support

For any questions regarding the installation, usage, or safety of your DXT2 Big Dot Sight Set, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure the proper use and longevity of your DXT2 Big Dot Sight Set. Stay safe and enjoy your shooting experience.
