

DXT2 BIG DOT FOR SIG 365 - XS SIGHT SYSTEMS DXT2 BIG DOT ORANGE SIG P365

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A Large Front Sight That'll Aid in Effective Aiming

Winning a gunfight and effectively defending your life requires solid front-sight focus, and the team at XS Sights understands how essential that front sight is on a small, defensive handgun. That led to the development of the XS Sights DXT2 Big Dot night sights, which is not only aimed easily in daylight, but also in nighttime and low-light environments. Each pair of XS Sights DXT2 Big Dot night sights are built with a tritium-illuminated, round front sight that allow for fast targeting in the dark, while a photoluminescent ring around the tritium lamp also allows for easy aiming when moving from bright to dark environments. The front sight is combined with the company's rear-sight design that incorporates a vertical, tritium-illuminated stripe. When it comes to aiming, getting your gun on target is fast and instinctive: just dot the i! The XS Sights DXT2 Big Dot night sights are constructed with a shallow rear notch for a greater field of view, and the sight is designed for rapid aiming at targets inside of 15 yards. This particular pair of DXT sights are built for the popular SIG Sauer P365. The sights fit all common holsters and may require filing to fit into the dovetail.

Safety Instruction Guide for DXT2 Big Dot for SIG 365 XS Sight Systems

Introduction

Thank you for choosing the DXT2 Big Dot night sights for your SIG Sauer P365. This guide provides important safety instructions and information to ensure the safe use and installation of your new sights. Please read this document carefully and follow all guidelines to ensure optimal performance and safety.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the DXT2 Big Dot sights by following all instructions. These sights are designed for specific models and should only be used as intended.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety regulations. Verify the product details before making a purchase.
- **Special Consumer Focus:** Keep this product out of reach of children. It is designed for adult use only.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay updated on product safety through the EU Safety Gate platform. Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure the firearm is unloaded before installing the sights.
 - Use appropriate tools for installation to avoid damaging the sights or the firearm.
- **Aiming Precautions:**
 - Always point the firearm in a safe direction when aiming.
 - Practice safe handling and shooting techniques at all times.
- **Environmental Considerations:**
 - Use the sights in appropriate lighting conditions to ensure optimal visibility.
 - Be aware of your surroundings when using the firearm equipped with these sights.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare the Firearm:**
 - Ensure the SIG Sauer P365 is unloaded and safe to handle.
2. **Remove Old Sights:**
 - Use a sight pusher or appropriate tool to carefully remove the existing sights.
3. **Install New Sights:**
 - Align the DXT2 Big Dot sights in the dovetail of the slide.
 - Ensure the front and rear sights are properly aligned for accurate aiming.
4. **Secure the Sights:**
 - If necessary, file the sights to fit securely into the dovetail.
 - Tighten any screws or fasteners as per the manufacturer's instructions.
5. **Final Check:**
 - Confirm that the sights are securely installed and properly aligned before use.

Usage Instructions

- **Aiming:**
 - Use the round front sight for quick targeting.
 - The tritium illumination will assist in lowlight conditions.
- **Practice:**
 - Familiarize yourself with the sight picture by practicing at a safe shooting range.
- **Maintenance:**
 - Regularly check the sights for any damage or misalignment.
 - Clean the sights as needed to maintain visibility.

Disposal Instructions

- Dispose of any packaging materials according to local regulations.
- If the sights become damaged or nonfunctional, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the DXT2 Big Dot night sights, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details on hand when reaching out for assistance.

By following these safety instructions, you can ensure the safe and effective use of your DXT2 Big Dot night sights. Thank you for your attention to these important guidelines. Stay safe and responsible while enjoying your shooting experience.
