SCOUT SCOPE MOUNT XS SIGHT SYSTEMS 099 CLIFTON SCOPE MOUNT Safety Instructions

Introduction

Thank you for choosing the SCOUT SCOPE MOUNT XS SIGHT SYSTEMS 099 CLIFTON SCOPE MOUNT. This guide provides essential safety instructions to ensure safe usage and installation of your scope mount. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the scope mount by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any safety recalls related to this product. If a recall occurs, follow the provided instructions for returning or remedying the product.
- **Online Shopping Protections:** If purchased online, ensure that the platform complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when the product is used by or around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the provided contact information from your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Installation:**
 - Ensure that the surface of the firearm is clean and free from debris before installation.
 - Use only the screws provided with the mount for installation.
- **Usage:**
 - Always ensure that the scope is securely attached to the mount before use.
 - Regularly check the tightness of screws and the integrity of the mount during use.
- **Handling:**
 - Handle the scope mount with care to avoid bending or damaging the aluminum material.
 - Do not exceed the weight limit specified for the scope mount.
- **Storage:**
 - Store the scope mount in a dry place to prevent corrosion or damage.
 - Keep out of reach of children and pets.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver suitable for the screws provided.
- Ensure you have the correct model based on your barrel measurements (099 for .980" barrels, 106 for sporter barrels requiring modifications).

2. Installation Steps:

- Measure the barrel just forward of the receiver to confirm the appropriate mount model.
- For model 099:
 - Ensure the barrel measures .980" in diameter.
 - Apply Acraglas® (included) to the mount as per the instructions.
- For model 106:

- Ensure the barrel is turned to a 1.05" diameter for a minimum length of 1¾" forward of the receiver.
- Align the mount with the receiver and secure it using the two screws provided.
- Tighten the screws evenly to ensure a secure fit without overtightening.

3. Usage:

- After installation, attach your scope using Weaverstyle rings.
- Check the alignment and adjust as necessary for optimal sighting.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product reaches the end of its life, dispose of it in accordance with local waste management regulations. Do not dispose of in household waste.

Contact Information for Further Support

For any questions or concerns regarding the SCOUT SCOPE MOUNT XS SIGHT SYSTEMS 099 CLIFTON SCOPE MOUNT, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. Enjoy your new scope mount and ensure safe and responsible use.
