# SCOUT SCOPE MOUNT XS SIGHT SYSTEMS 106 CLIFTON SCOPE MOUNT Safety Instructions

## Introduction

Thank you for choosing the SCOUT SCOPE MOUNT XS SIGHT SYSTEMS 106 CLIFTON SCOPE MOUNT. This product is designed to provide a secure and reliable mounting solution for your long eye relief scope. Please read this safety instruction guide carefully to ensure safe installation and usage of the product.

## General Safety Guidelines

- Always handle the scope mount with care to avoid injury.
- Ensure that the mounting area is clean and free of debris before installation.
- Use the product only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the mount for any signs of wear or damage.
- If you notice any defects or issues, cease use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope mount.
- Always follow local laws and regulations regarding firearms and scope mounts.
- When using the scope mount, ensure that it is securely fastened to prevent accidents.
- Do not exceed the manufacturer's specifications for the scope and mount compatibility.
- Avoid using excessive force during installation to prevent damage to the mount or firearm.

## Instructions for Installation and Usage

### 1. Measure the Barrel:

- Measure the barrel just forward of the receiver.
- If the barrel measures .980 inches, order the 099 mount.
- For bolt action sporter barrels, order the 106 mount; this requires turning the barrel to a 1.05 inch diameter, with a minimum length of 1¾ inches forward of the receiver.

### 2. Installation Steps:

- Gather the necessary tools: a screwdriver and Acraglas® (included for model 099).
- Position the scope mount just ahead of the receiver.
- Attach the mount using the provided screws, ensuring a snug fit.
- For model 099, apply Acraglas® as per the instructions included in the package.
- Check that the mount is level and secure before attaching the scope.

### 3. Usage:

- Once installed, attach the scope using Weaverstyle rings.
- Ensure the scope is properly aligned for optimal accuracy.
- Regularly check the tightness of the screws and the condition of the mount.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.

- Consider recycling options for aluminum materials where available.

## Contact Information for Further Support

For any questions or concerns regarding the SCOUT SCOPE MOUNT XS SIGHT SYSTEMS 106 CLIFTON SCOPE MOUNT, please refer to the manufacturer's contact details provided on the packaging or product documentation.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your SCOUT SCOPE MOUNT. Always prioritize safety and consult the manual for any additional information. Thank you for your attention to these important guidelines.
