AR15 BLADE TRITIUM RN FRONT BLADE XS SIGHT SYSTEMS Safety Instructions

Introduction

Thank you for choosing the AR15 BLADE TRITIUM RN FRONT BLADE XS SIGHT SYSTEMS. This guide provides important safety information and instructions to ensure the safe use and installation of your new sight system. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and accessories with care, following all applicable safety regulations.
- Store the sight system in a secure location, away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear before use.
- If you notice any defects or issues, discontinue use immediately and contact a qualified professional for assistance.

Specific Safety Precautions for Use

- Do not modify the sight system in any way. Alterations can compromise safety and performance.
- Ensure that the sight is properly installed according to the provided instructions to avoid accidents.
- Use the sight only in conjunction with compatible firearms, specifically the AR15 platform.
- Avoid using the sight in extreme weather conditions that may affect visibility or functionality.
- Always wear appropriate eye protection when using firearms equipped with the sight.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather necessary tools, including the sight adjustment tool included with your product.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Mounting the Sight:

- Locate the mounting area on your AR15.
- Align the sight with the mounting holes.
- Secure the sight using the appropriate screws (not included) and ensure it is tightly fastened.

3. Adjustment:

- Use the sight adjustment tool to make necessary elevation adjustments.
- Each click of the adjustment tool corresponds to five MOA elevation.

Usage

- To utilize the tritium dot effectively:
 - Ensure that the sight is clean and free from obstructions.
 - Aim at your target, focusing on the bright green tritium dot for optimal lowlight visibility.
- Regularly check your sight alignment and make adjustments as needed.

Disposal Instructions

- Dispose of the sight system in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the sight in household waste. Instead, consider returning it to a qualified recycling facility.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your purchase. It is important to have access to assistance for any concerns related to the product's safety and performance.

Conclusion

By following these safety instructions, you can enjoy the full benefits of your AR15 BLADE TRITIUM RN FRONT BLADE XS SIGHT SYSTEMS while ensuring a safe experience. Always prioritize safety and compliance with relevant regulations. Thank you for your attention to these important guidelines.
