Introduction

Thank you for choosing the WHITE STRIPE DOVETAIL FRONT SIGHT from XS SIGHT SYSTEMS. This product is designed to enhance your shooting experience with improved visibility in various lighting conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms and accessories with care.
- Ensure that the firearm is unloaded before installing or adjusting the front sight.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly check the front sight for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the front sight is compatible with your rifle's dovetail specifications (3/8"x.375").
- Do not exceed the manufacturer's recommended height adjustments.
- Avoid using the front sight in extreme weather conditions without proper maintenance.
- Be cautious when adjusting the sight to prevent injury from sharp edges.
- Do not modify the sight beyond the manufacturer's specifications.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is completely unloaded.
- Locate the dovetail on your rifle that corresponds to the front sight specifications.
- Align the front sight with the dovetail slot.
- Gently tap the sight into place using a nonmarring punch or tool.
- Confirm that the sight is securely fitted and does not move.

2. Usage

- Use the front sight in conjunction with your rifle's rear sight for optimal accuracy.
- Adjust your shooting stance and grip to maintain consistency while aiming.
- Practice in various lighting conditions to become familiar with the sight's visibility.
- Regularly clean the sight to maintain clarity and function.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer functional, consider recycling the materials.
