# Safety Instruction Guide for MOLDED PLASTIC TOOL HANDLES 6, YELLOW L1 MODEL

## Introduction

Thank you for choosing the MOLDED PLASTIC TOOL HANDLES 6, YELLOW L1 MODEL. This product is designed for use with various hand tools such as screwdrivers and chisels. To ensure your safety and the longevity of the product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always inspect the tool handles before use for any signs of damage or wear.
- Ensure that the handles are securely attached to the tools before use.
- Keep the handles out of reach of children to prevent accidents.
- Do not use the handles for any purpose other than intended.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only the recommended drill sizes when modifying the holes in the handles.
- If the hole is not the correct size, use a pilot drill to achieve the desired size and depth.
- For extra small tangs, secure them with ACRAGLAS® to ensure a safe and stable fit.
- Avoid using the handles in environments where they may be exposed to extreme temperatures or chemicals.
- Do not exceed the recommended weight limits for tools attached to the handles.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools, including a drill and ACRAGLAS® if required.
- Ensure that you are working in a welllit and safe environment.

### 2. Drilling the Hole:

- If the predrilled hole is not the correct size, select a pilot drill bit that matches the tang size.
- Carefully drill the hole to the required size and depth, ensuring precision.

### 3. Attaching the Tang:

- Insert the tool tang into the hole of the handle.
- If using ACRAGLAS®, apply it according to the manufacturer's instructions to secure the tang.

### 4. Final Inspection:

- Check that the handle is securely attached and that there are no gaps or looseness.
- Test the tool for stability before use.

## Disposal Instructions

- Dispose of any unused or damaged handles in accordance with local regulations.
- Do not dispose of plastic handles in regular household waste; check for recycling options in your area.

## **Contact Information for Further Support**

For inquiries regarding safety or product information, please refer to the manufacturer or retailer from whom you purchased the product. They will provide the necessary support and guidance.

By following these safety instructions, you can ensure a safe and effective experience with your MOLDED PLASTIC TOOL HANDLES 6, YELLOW L1 MODEL. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
