# **TORQUE WRENCHES BROWNELLS 1/2" DRIVE 10150 FOOT POUND TORQUE WRENCH Safety Instruction Guide**

## **Introduction**

Thank you for choosing the TORQUE WRENCHES BROWNELLS 1/2" DRIVE 10150 FOOT POUND TORQUE WRENCH. This product is designed for use with AR15/M16 barrel nuts, bolt carrier keys, or action screws on any rifle. To ensure safe and effective use, please read this guide carefully. It provides essential safety instructions, usage guidelines, and contact information for further support.

## **General Safety Guidelines**

- Ensure that the torque wrench is used only for its intended purpose.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the torque wrench out of reach of children and vulnerable individuals.
- Inspect the torque wrench before each use for any signs of damage or wear.
- Do not exceed the specified torque range of 10 150 foot pounds.
- Use the torque wrench in a dry environment to prevent corrosion and damage.

## **Specific Safety Precautions for Use**

- Always set the dial handle to the desired torque before using the wrench.
- Listen for the "click" sound, which indicates that the set torque has been reached.
- Do not use excessive force when operating the torque wrench, as this may lead to inaccurate measurements or damage.
- Avoid using the torque wrench on rusted or corroded fasteners, as this may affect performance.
- Store the wrench in its protective case when not in use to prevent damage.

## **Instructions for Installation and Usage**

### **1. Setting Up the Torque Wrench:**

- Ensure the torque wrench is clean and free from debris.
- Rotate the dial handle to the desired torque setting between 10 150 foot pounds.

### **2. Using the Torque Wrench:**

- Attach the appropriate socket to the 1/2" drive of the torque wrench.
- Position the wrench on the fastener you wish to tighten.
- Apply steady pressure to the handle until you hear a "click." This indicates that the desired torque has been achieved.
- Release the pressure immediately after hearing the click to avoid overtightening.

### **3. PostUse Care:**

- Clean the torque wrench with a soft cloth after each use.
- Store the torque wrench in its box to protect it from dust and damage.

## **Disposal Instructions**

When disposing of the torque wrench, please follow these guidelines:

- Check local regulations for proper disposal of metal and electronic products.
- If the torque wrench is no longer functional, consider recycling it at a designated facility.
- Ensure that any hazardous materials are disposed of according to local environmental regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the TORQUE WRENCHES BROWNELLS 1/2" DRIVE 10150 FOOT POUND TORQUE WRENCH, please refer to the manufacturer's contact information provided with the product.

Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. If you encounter any unsafe products or accidents, report them to the relevant authorities.

Thank you for prioritizing safety while using the TORQUE WRENCHES BROWNELLS 1/2" DRIVE 10150 FOOT POUND TORQUE WRENCH. Your safety is our priority.
