

FEATHERWEIGHT BIPOD SLING SWIVEL MOUNT - ADVANCED TECHNOLOGY FEATHERWEIGHT BIPOD SLING SWIVEL MOUNT 9-13" BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Provides Rock Solid Support Without Weighing Down Your Rifle

Solid, glass-filled nylon bipod mounts to any sling swivel stud to provide superior forend support, yet is so lightweight you'll hardly know it's there. Telescoping legs with non-skid rubber feet adjust from 9" to 13" high to accommodate shooting prone or from the bench. Snap-n-lock button allows legs to conveniently fold and lock to the front or rearward position. Interchanging swivel collars let you assemble the unit for swivel motion or a locked position. Included neoprene pad protects the mounting surface of your stock. Additional hardware allows direct mounting to round, mil-spec AR-15 handguards without modification. Includes instructions.

Note: Customer assembly required to determine Swivel or Non-Swivel Configuration or AR-15 Configuration. Push "Snap-N-Lock" Button to Fold Legs Forward, Rearward or Downward.

Safety Instruction Guide for the Featherweight Bipod Sling Swivel Mount

Introduction

Thank you for choosing the Featherweight Bipod Sling Swivel Mount. This product is designed to provide superior support while remaining lightweight and easy to use. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

To ensure safe usage of the Featherweight Bipod Sling Swivel Mount, please observe the following guidelines:

- Always inspect the bipod for any damage or wear before each use.
- Ensure that the bipod is properly mounted and secured to the sling swivel stud.
- Use the bipod only with firearms that are compatible with sling swivel studs.
- Keep the bipod out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any product recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the Featherweight Bipod Sling Swivel Mount, please adhere to these specific safety precautions:

- Do not exceed the maximum height adjustment of 13 inches.
- Ensure the legs are fully extended and locked before use.
- Avoid using the bipod on unstable or uneven surfaces to prevent accidents.
- Do not apply excessive force to the bipod when adjusting the legs.
- Always use the neoprene pad to protect the mounting surface of your firearm.
- Be cautious of the snaplock mechanism; ensure it is functioning properly before use.

Instructions for Installation and Usage

Follow these steps to install and use the Featherweight Bipod Sling Swivel Mount safely:

1. Installation

- Locate the sling swivel stud on your firearm.
- Align the bipod's mounting collar with the sling swivel stud.
- Firmly press the bipod onto the stud until it clicks into place.
- If necessary, adjust the swivel collar to allow for either swivel motion or a locked position.

2. Adjusting the Height

- To adjust the height, locate the snaplock button on each leg.
- Press the button to release the lock, then extend or retract the leg to the desired height (9 to 13 inches).
- Release the button to lock the leg in place.

3. Folding the Bipod

- To fold the bipod, press the snaplock button and gently fold the legs towards the front or rearward position.
- Ensure the legs are securely locked in the folded position before transporting.

4. Usage

- Position the bipod on a stable surface.
- Ensure your firearm is securely mounted and supported by the bipod.
- Aim and shoot as per standard firearm safety practices.

Disposal Instructions

When it is time to dispose of the Featherweight Bipod Sling Swivel Mount, please follow these guidelines:

- Dispose of the bipod according to local waste disposal regulations.
- If the bipod is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the bipod in regular household waste if it can be recycled.

Contact Information for Further Support

For any questions or concerns regarding the Featherweight Bipod Sling Swivel Mount, please reach out to the appropriate support channels. Ensure that you have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Featherweight Bipod Sling Swivel Mount!
