

HEAT SHIELD - ADVANCED TECHNOLOGY DELUXE HEAT SHIELD W/SIGHTS, BLACK

[Shotgun Parts](#) > [Barrel Parts](#) > [Heat Shields](#)

Improve Control & Handling Convenience

Self-centering rear ghost ring with large, .122" I.D. aperture for lightning quick target acquisition. Formed steel with elongated cooling slots protects your hand from burns. Provides a secure, non-slip, grasping surface, and provides maximum heat dissipation. Front blade with side guards protects the blade and prevents snagging. Each Heatshield should be custom fit. If you do not have the proper tools or do not feel comfortable fitting the heatshield to your firearm, please enlist the services of your local gunsmith. ATI is not responsible for any damage caused by Improper Installation. Fits Most 12, 16, 20 Gauge and .410 pump shotgun barrels. Heatshields should not be used on Mossberg Mariner or Remington Marine Coat Shotguns.

HEAT SHIELD ADVANCED TECHNOLOGY DELUXE HEAT SHIELD W/SIGHTS, BLACK Safety Instructions

Introduction

Congratulations on your purchase of the HEAT SHIELD ADVANCED TECHNOLOGY DELUXE HEAT SHIELD W/SIGHTS. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain your heat shield properly.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the heat shield is compatible with your shotgun model before installation.
- Use the heat shield only for its intended purpose.
- Keep the heat shield and firearm away from children and unauthorized users.
- Regularly inspect the heat shield for any signs of wear or damage.
- If you notice any damage, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the heat shield.
- Avoid touching the heat shield or firearm components that may become hot during use.
- Do not use the heat shield on Mossberg Mariner or Remington Marine Coat Shotguns, as it may not fit properly.
- If you are not confident in installing the heat shield, seek assistance from a qualified gunsmith.
- Do not modify the heat shield in any way, as this may compromise its safety features.

Instructions for Installation and Usage

1. Preparation

- Ensure that you have the necessary tools for installation.
- Read the installation instructions thoroughly before proceeding.

2. Installation Steps

- Make sure your shotgun is completely unloaded.
- Remove any existing heat shield or accessories from the shotgun barrel.
- Align the heat shield with the barrel, ensuring that it fits securely.
- Use the provided hardware to attach the heat shield to the shotgun.
- Ensure that the rear ghost ring and front blade are properly aligned for optimal sighting.

3. PostInstallation Checks

- After installation, check that the heat shield is firmly attached and does not move.
- Test the functionality of the sights to ensure proper alignment.
- Conduct a safety check by ensuring the firearm is still in a safe condition.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the heat shield is damaged beyond repair, consult local waste management guidelines for proper disposal.
- Do not dispose of the heat shield in regular household waste if it is still functional; consider donating or recycling if possible.

Contact Information for Further Support

For any questions or concerns regarding the HEAT SHIELD ADVANCED TECHNOLOGY DELUXE HEAT SHIELD W/SIGHTS, please consult your local gun shop or a qualified gunsmith.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your HEAT SHIELD ADVANCED TECHNOLOGY DELUXE HEAT SHIELD W/SIGHTS. Always prioritize safety and seek professional assistance when needed. Thank you for choosing our product.
