M14/M1A Bore Guide Safety Instructions

Introduction

Thank you for choosing the M14/M1A Bore Guide by ARAMOR. This product is designed to assist in the cleaning of your rifle by centering and supporting your cleaning rod close to the muzzle. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always ensure that your firearm is unloaded before using the bore guide.
- Keep the bore guide and cleaning rod away from children and unauthorized users.
- Inspect the bore guide for any damage before use. Do not use if damaged.
- Use the bore guide only for its intended purpose with M14/M1A rifles.
- Follow all manufacturer instructions for your cleaning rod and rifle.
- Be aware of your surroundings while cleaning your firearm to prevent accidents.

Specific Safety Precautions for Use

- Ensure that the cleaning rod is compatible with the bore guide to avoid misalignment.
- Use the bore guide in a wellventilated area to avoid inhaling cleaning chemicals.
- Wear appropriate eye protection when cleaning your firearm.
- Avoid using excessive force when inserting or removing the bore guide to prevent damage.
- Do not leave the bore guide in the firearm when not in use.
- Store the bore guide in a safe, dry place when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including the cleaning rod and bore guide.

2. Installation:

- Align the bore guide with the muzzle of the rifle.
- Gently insert the bore guide into the flash suppressor, ensuring a snug fit.
- Confirm that the bore guide is securely in place.

3. Using the Cleaning Rod:

- Insert the cleaning rod through the bore guide.
- Ensure the cleaning rod is straight and aligned with the bore guide.
- Clean the rifle according to the manufacturer's instructions for your cleaning supplies.

4. Removal:

- Once cleaning is complete, carefully remove the cleaning rod from the bore guide.
- Gently pull the bore guide out of the flash suppressor.

5. PostUse Care:

- Clean the bore guide with a soft cloth to remove any cleaning residue.
- Store the bore guide in a safe location away from children.

Disposal Instructions

- Dispose of the bore guide in accordance with local regulations.
- Do not dispose of in regular household waste if it is damaged or contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the M14/M1A Bore Guide, please contact your local retailer or the manufacturer directly. It is important to ensure you have access to assistance if needed.

By following these safety instructions, you can help ensure a safe and effective cleaning experience with your M14/M1A Bore Guide. Thank you for your attention to these guidelines.
