Safety Instruction Guide for NO. 152 Round OilTempered Spring Stock

Introduction

Thank you for choosing the NO. 152 Round OilTempered Spring Stock by Brownells. This product is designed for the creation of springs and is made from highquality 1070 Carbon Steel. To ensure your safety and the effective use of this product, please read and follow the safety guidelines and instructions provided in this document.

General Safety Guidelines

- Always handle the spring stock with care to avoid injury.
- Ensure that the workspace is clean and free of clutter to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as gloves and safety goggles when cutting or manipulating the spring wire.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The sharp edges of the spring wire can cause cuts or puncture wounds.
- Improper handling may result in injury due to the spring's tension.

- **Avoiding Hazards:**

- Always cut the wire in a controlled manner using appropriate tools.
- Do not attempt to bend or twist the wire without proper tools and techniques.
- Store the spring stock in a secure location to prevent accidental access.

- **AgeSpecific Warnings:**

- This product is not suitable for children under the age of 14. Adult supervision is recommended for users under 18.

Instructions for Installation and Usage

- **Preparation:**

- Gather all necessary tools, including wire cutters, pliers, and safety gear.
- Ensure that your workspace is welllit and organized.

- **Cutting the Wire:**

- Measure the desired length of the wire.
- Use wire cutters to cut the wire cleanly, avoiding jagged edges.

- **Forming Springs:**

- Use appropriate techniques and tools to form the wire into springs.
- Ensure that the tension applied during forming is controlled to prevent injury.

- **Final Inspection:**

- Inspect the finished spring for any defects or sharp edges.
- Smooth any rough edges as necessary before use.

Disposal Instructions

- Dispose of any leftover wire and scrap material responsibly.
- Recycle materials where possible according to local regulations.
- Ensure that all sharp edges are covered or disposed of in a manner that prevents injury to others.

Contact Information for Further Support

For any inquiries or concerns regarding the NO. 152 Round OilTempered Spring Stock, please reach out to the manufacturer's customer support. They can provide assistance and further information as needed.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
