

POLISHING COMPOUNDS - BROWNELLS POLISHING COMPOUND, BROWN TRIPOLI

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Compounds](#)

Covers All Polishing Needs From Coarse Grit To Mirror Finish

Polishing abrasives have a myriad of uses in the shop. Cream Bobbing abrasive is coarse and aggressive for starting on metals with a rough surface. Brown Tripoli general purpose compound is a medium abrasive and safe for all metals. Gray Star is a medium cutting compound for harder metals like steel. White Ice is a fine abrasive compound for softer metals that require a delicate touch or as the final step in polishing steel. Green Flexible Multi-Purpose has a medium-to-fine cut and is safe for all metals; a good, all-around polish. Plastic Blue gives a mirror-smooth finish to acrylic, plastic, or fiberglass. Works great on plastic grip caps or forend tips. Green Rouge is a good choice for nickel, silver, or white gold. Blizzard Premium is a white compound that leaves an almost mirror finish on harder metals.

Safety Instruction Guide for Brownells Polishing Compound, Brown Tripoli

Introduction

Thank you for choosing Brownells Polishing Compound, Brown Tripoli. This polishing compound is designed to provide effective polishing for various metals and materials. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always use personal protective equipment (PPE) such as gloves, goggles, and masks when handling the compound.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Regularly check the product for any signs of damage or degradation before use.

Specific Safety Precautions for Use

- Avoid inhaling dust generated during the polishing process. Use in a wellventilated area or wear a dust mask.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- In case of skin contact, wash the affected area with soap and water. If irritation persists, consult a medical professional.
- If the product comes into contact with eyes, rinse immediately with plenty of water and seek medical advice.
- Do not mix with other chemicals or compounds unless specified by the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface to be polished is clean and free from debris.
- Gather necessary tools and equipment, including polishing wheels or cloths.

2. Application:

- Apply a small amount of Brown Tripoli Compound to the polishing tool or cloth.
- Start polishing the surface using light pressure. Increase pressure gradually as needed.
- Work in small sections to achieve an even finish.

3. PostUse Care:

- After polishing, clean the surface with a soft cloth to remove any residue.
- Store the compound in its original packaging and ensure it is tightly sealed.

4. Disposal Instructions:

- Dispose of any unused product and packaging in accordance with local regulations.
- Do not dispose of the product in household waste or down the drain.

Contact Information for Further Support

For any safety inquiries or further information regarding this product, please contact the manufacturer or consult your local regulatory authority.

Thank you for prioritizing safety while using Brownells Polishing Compound, Brown Tripoli.
