

# POLISHING COMPOUNDS - BROWNELLS POLISHING COMPOUND, BLIZZARD PREMIUM

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Compounds](#)

## Covers All Polishing Needs From Coarse Grit To Mirror Finish

Polishing abrasives have a myriad of uses in the shop. Cream Bobbing abrasive is coarse and aggressive for starting on metals with a rough surface. Brown Tripoli general purpose compound is a medium abrasive and safe for all metals. Gray Star is a medium cutting compound for harder metals like steel. White Ice is a fine abrasive compound for softer metals that require a delicate touch or as the final step in polishing steel. Green Flexible Multi-Purpose has a medium-to-fine cut and is safe for all metals; a good, all-around polish. Plastic Blue gives a mirror-smooth finish to acrylic, plastic, or fiberglass. Works great on plastic grip caps or forend tips. Green Rouge is a good choice for nickel, silver, or white gold. Blizzard Premium is a white compound that leaves an almost mirror finish on harder metals.

## Attributes

- Name: [BROWNELLS POLISHING COMPOUND, BLIZZARD PREMIUM](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 032000024
- Mfr. No.: C10BLIZZARDM
- Delivery weight: 0.204kg
- Shipping height: 41mm
- Shipping width: 56mm
- Shipping length: 127mm
- UPC: 050806002784

# Safety Instruction Guide for Polishing Compounds

## Brownells Blizzard Premium Compound

### Introduction

Thank you for choosing the Polishing Compounds Brownells Blizzard Premium Compound. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the compound.

### General Safety Guidelines

- Always use the polishing compound in a wellventilated area to avoid inhaling dust or fumes.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, to protect your skin and eyes from dust and particles.
- Do not use the product near open flames or sources of ignition.
- Store the polishing compound in a cool, dry place away from direct sunlight and moisture.

### Specific Safety Precautions for Use

- **Hazard Identification:**

- Inhalation: Dust generated during use may irritate the respiratory system.
- Skin Contact: Prolonged contact may cause irritation or allergic reactions.
- Eye Contact: Dust or splashes may cause irritation.

- **Avoiding Hazards:**

- Use a dust mask or respirator if you are sensitive to dust.
- Avoid direct skin contact; wash hands thoroughly after handling.
- In case of eye contact, rinse immediately with plenty of water and seek medical attention if irritation persists.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Ensure that all users are adults or under adult supervision.

### Instructions for Installation and Usage

- **Preparation:**

- Ensure your work area is clean and free of any unnecessary items.
- Gather all necessary tools and materials before starting.

- **Application:**

- Apply a small amount of the polishing compound to the surface you wish to polish.
- Use a clean, soft cloth or polishing pad to work the compound into the surface in a circular motion.
- For best results, apply even pressure and continue polishing until the desired finish is achieved.
- Wipe off any excess compound with a clean cloth.

- **PostUsage:**

- After use, clean all tools and surfaces that came into contact with the compound.
- Store the polishing compound in its original packaging to maintain its quality.

## **Disposal Instructions**

- Dispose of any unused polishing compound and empty packaging in accordance with local regulations.
- Do not dispose of the product in household waste. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional information regarding the Polishing Compounds Brownells Blizzard Premium Compound, please contact the manufacturer or your local safety authority.

By following these safety instructions, you can ensure a safe and effective experience with the Polishing Compounds Brownells Blizzard Premium Compound. Thank you for your attention to safety.
