# Safety Instruction Guide for 1" Thick Loose Muslin Wheels

## Introduction

Thank you for choosing the 1" Thick Loose Muslin Wheels by Brownells. These wheels are designed for polishing and finishing applications. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the wheel for damage or wear before use.
- Use personal protective equipment (PPE) such as safety goggles, gloves, and a dust mask.
- Keep the work area clean and free of obstructions.
- Ensure that all electrical tools used with the wheels are in good working condition.
- Do not exceed the maximum speed rating of the wheel.
- Store the wheels in a dry, cool place away from direct sunlight.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from dust and debris generated during use.
  - Risk of wheel failure if used beyond the specified speed.
  - Potential for burns if the wheel becomes excessively hot.
- **Avoiding Hazards:**
  - Use the wheel only on compatible machines.
  - Do not force the wheel onto a spindle or arbor.
  - Avoid using the wheel with damaged or malfunctioning equipment.
  - Do not wear loose clothing or jewelry that may become entangled in the wheel.
- **Age and Audience Specific Warnings:**
  - This product is not intended for use by children. Keep out of reach of children.

## Instructions for Installation and Usage

### Installation

1. **Select the Correct Arbor Size:** Ensure the arbor size matches one of the following: ½" (12.7mm), 5/8" (15.9mm), ¾" (19.0mm), 7/8" (22.2mm), or 1" (2.5cm).
2. **Mounting the Wheel:**
  - Turn off and unplug the machine before installing the wheel.
  - Carefully slide the wheel onto the arbor, ensuring it fits snugly.
  - Secure the wheel using the appropriate locking mechanism or nut.
  - Doublecheck that the wheel is mounted correctly and securely.

## Usage

### 1. Preparation:

- Wear appropriate personal protective equipment (PPE).
- Ensure the work area is clean and welllit.
- Check that the wheel is spinning in the correct direction according to the machine's specifications.

### 2. Operating the Wheel:

- Start the machine at a low speed and gradually increase to the recommended operating speed.
- Do not apply excessive pressure while polishing. Let the wheel do the work.
- Monitor the wheel for any signs of wear or damage during use.
- If the wheel becomes excessively hot, stop the machine and allow it to cool before continuing.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the wheels in regular household waste.
- Consider recycling options if available.

## Contact Information for Further Support

For any inquiries regarding safety or product concerns, please refer to the manufacturer's contact information available on the packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority!
