# Safety Instruction Guide for 1" Thick Loose Muslin Wheels

## Introduction

Thank you for choosing the 1" Thick Loose Muslin Wheels by Brownells. This product is designed for polishing and finishing applications. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as goggles, gloves, and a dust mask, when using this product.
- Keep the work area clean and welllit to prevent accidents.
- Do not operate the product if you are tired or under the influence of substances that may impair your judgment.
- Regularly inspect the wheels for wear and damage before each use. Do not use damaged wheels.
- Ensure that all safety guards and shields are in place during operation.
- Be aware of your surroundings and keep bystanders at a safe distance while using the product.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from moving parts during operation.
- Risk of dust inhalation; use appropriate respiratory protection.
- Risk of fire if used near flammable materials.

### • Avoiding Hazards:

- Always secure the wheel properly to the arbor before use.
- Do not exceed the maximum recommended speed for the wheels.
- Use the wheels only for their intended purpose.
- Avoid using excessive pressure when polishing to prevent wheel damage and ensure safety.

### • Age and Audience Specific Warnings:

- This product is not intended for use by children. Keep out of reach of children and unauthorized users.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that the power source is turned off before installation.
2. Select the appropriate arbor size (1/2", 5/8", 3/4", 7/8", or 1").
3. Slide the wheel onto the arbor and ensure it is securely fitted.
4. Tighten the arbor nut according to the manufacturer's specifications.
5. Check that the wheel is properly aligned and free from wobble.

### • Usage:

1. Turn on the power source and allow the wheel to reach full speed before contacting the workpiece.
2. Apply light pressure to the workpiece while polishing. Do not press down excessively.
3. Move the workpiece steadily across the wheel to avoid overheating and damaging the wheel.
4. After use, turn off the power source and allow the wheel to come to a complete stop before removing it from the arbor.

## Disposal Instructions

- Dispose of any worn or damaged wheels in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Instead, check for recycling options in your area that accept textile materials.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding this product, please refer to the manufacturer's official communication channels.

Thank you for using the 1" Thick Loose Muslin Wheels. Your safety is our priority, and we hope these guidelines help ensure a safe and effective experience.
