

# SISAL WHEELS - BROWNELLS SISAL POLISHING WHEEL, 8" X .375", 5/8" ARBOR

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

## Fast Removal Of Rough Metal & Rust

7 plys of prime woven jute with an outer muslin cover on each side provide a very aggressive surface for fast removal of rough metal, rust and similar jobs with coarser polishing grits. Finer grits produce an attractive "brushed" finish. Spiral stitched, long-lasting construction.

## Safety Instructions

### Introduction

Thank you for choosing the SISAL WHEELS BROWNELLS 8" SISAL WHEEL. This product is designed for effective polishing and metal finishing. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always read the product instructions and safety guidelines before use.
- Ensure that the work area is clean and free of clutter to avoid accidents.
- Use personal protective equipment (PPE) such as safety goggles, gloves, and dust masks to protect against debris and dust.
- Keep the product out of reach of children and unauthorized users.
- Do not modify the product or use it for purposes other than intended.
- Regularly inspect the product for damage or wear before each use.
- If the product shows signs of wear or damage, discontinue use immediately.

### Specific Safety Precautions for Use

- Ensure the arbor size (5/8" or 15.9 mm) matches the tool you are using.
- Use the SISAL WHEEL only on compatible polishing machines.
- Avoid applying excessive pressure during operation; let the wheel do the work.
- Do not exceed the recommended speed limits for the wheel to prevent breakage.
- Be cautious of sparks and debris generated during use; ensure proper ventilation.
- Do not use the wheel on materials that are not suitable for polishing with sisal.
- Ensure that all safety guards on the polishing machine are in place and functional before use.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the polishing machine is unplugged before installation.
- Remove any existing wheel or attachment from the machine.
- Align the SISAL WHEEL with the arbor and slide it onto the spindle.
- Secure the wheel in place according to the manufacturer's instructions for your polishing machine.
- Doublecheck that the wheel is tightly secured before plugging in the machine.

#### 2. Usage:

- Plug in the polishing machine and turn it on at a low speed to ensure the wheel is balanced.
- Gradually increase the speed as needed for your polishing task.
- Hold the workpiece securely and apply it against the wheel without excessive force.
- Move the workpiece evenly across the wheel to achieve uniform polishing.
- After use, turn off the machine and allow the wheel to come to a complete stop before removing the workpiece.

### Disposal Instructions

- Dispose of the SISAL WHEEL in accordance with local regulations.
- Do not dispose of the wheel in regular household waste if it is contaminated with hazardous materials.

- Consider recycling options for the wheel if available in your area.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's contact details provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the SISAL WHEELS BROWNELLS 8" SISAL WHEEL. Always prioritize safety and compliance with the EU General Product Safety Regulation (GPSR) during use. Thank you for your attention to these important guidelines.
