

# **MUSLIN WHEELS - BROWNELLS MUSLIN POLISHING WHEEL, LOOSE, 10" X 20-PLY, 3/4" ARBOR**

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

## **Mainstay Of Any Polishing Room For Most Polishing Jobs**

Spiral Stitched - used primarily for first cleaning operation on the gun with No. 140 Polish-O-Ray"! to knock off old blue, dirt and rust and bring the metal to a bright finish. Also used by some operators instead of Soft Felt wheels - being of a more flexible nature, great care must be exercised to not round edges, or funnel and elongate screw and pin holes. Loose Muslin - used following each change of grit to smooth out grit marks and prepare the surface for the next finer grit. Also used to finish off the gun just prior to bluing. Note: - Use enough sections to make each wheel as wide as your polishing motor will handle - a minimum of three sections to each wheel. Never try to use the same wheel for different grit numbers. After a wheel is broken-in and in use, mark it with the grit number to be used on it and direction of rotation to be turned. Will increase wheel life, give better finishes and save hours of work.

## **Attributes**

- Name: [BROWNELLS MUSLIN POLISHING WHEEL, LOOSE, 10" X 20-PLY, 3/4" ARBOR](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 032920750

# Safety Instruction Guide for MUSLIN WHEELS BROWNELLS 10" LOOSE MUSLIN WHEEL 3/4" ARBOR

## Introduction

Thank you for choosing the MUSLIN WHEELS BROWNELLS 10" LOOSE MUSLIN WHEEL 3/4" ARBOR. This guide provides essential safety instructions to ensure the safe use of this product. It is important to read and understand these guidelines before using the wheels to achieve optimal results while minimizing risks.

## General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the muslin wheels. Follow the instructions provided to prevent accidents.
- **Enhanced Recalls:** Stay informed about any recall notices that may affect this product. Familiarize yourself with the procedures for returning or exchanging unsafe items.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations. Verify that the product meets the required safety standards.
- **Special Consumer Focus:** Extra caution should be taken if the product is used around children or vulnerable individuals. Keep the product out of their reach.
- **EU Contact Point:** For any safety inquiries, it is important to know that you can reach out to the designated EU contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on product safety issues. Regularly check for alerts regarding the muslin wheels.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from rotating wheels if not used correctly.
- Potential for dust and debris during use; wear appropriate protective gear.

- **Avoiding Hazards:**

- Always wear safety goggles and a dust mask when using the muslin wheels.
- Ensure that the polishing motor is securely mounted and stable before use.
- Keep hands and loose clothing away from the rotating wheels.
- Do not exceed the recommended speed for the polishing motor.
- Inspect the wheels for damage before each use. Do not use if worn or frayed.

- **Age Specific Warnings:**

- This product is intended for adult use only. Keep out of reach of children.

## Instructions for Installation and Usage

- **Installation:**

- Ensure the polishing motor is unplugged before installation.
- Select the appropriate arbor size (1/2", 5/8", 3/4", 7/8", or 1") that matches your motor.
- Secure the muslin wheel onto the arbor, ensuring it fits snugly.

- Tighten the arbor nut securely to prevent the wheel from loosening during operation.

- **Usage:**

- Start the polishing motor at a low speed to avoid excessive dust and debris.
- Gradually increase the speed to the recommended level for optimal polishing.
- Use the muslin wheels in a controlled manner, applying light pressure to avoid rounding edges or damaging the workpiece.
- After each grit change, use a loose muslin wheel to smooth out any grit marks.
- Mark each wheel with the grit number and direction of rotation for better organization and wheel life.
- Do not use the same wheel for different grit numbers.

## Disposal Instructions

- Dispose of used muslin wheels in accordance with local regulations for textile waste.
- Do not dispose of in regular household waste if they contain hazardous materials.
- Check with local waste management authorities for specific disposal guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the MUSLIN WHEELS BROWNELLS 10" LOOSE MUSLIN WHEEL 3/4" ARBOR, please reach out to the designated support channels provided by the manufacturer.

By following these safety instructions, you can ensure a safer and more effective experience with your muslin wheels. Always prioritize safety and proper usage to achieve the best results.
