# BLACK IRON WIRE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BLACK IRON WIRE by BROWNELLS. This product is designed for various applications where a reliable and durable wire is needed. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle the wire with care to avoid injury.
- Keep the wire out of reach of children and pets.
- Inspect the wire before use for any signs of damage or defects.
- Use appropriate personal protective equipment (PPE) such as gloves and safety glasses when handling the wire.
- Follow all local regulations regarding the use and disposal of wire products.

## Specific Safety Precautions for Use

- Do not use the wire near flammable materials or in explosive environments.
- Avoid bending the wire beyond its capacity to prevent breakage.
- Do not use the wire for unintended purposes, as it may pose safety risks.
- If the wire becomes contaminated with oil or other substances, do not use it for tasks that require cleanliness, such as food preparation or medical applications.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your workspace is clean and free from hazards.

### 2. Cutting the Wire:

- Use wire cutters to cut the wire to the desired length.
- Ensure the cut ends are smooth to avoid injury.

### 3. Bending the Wire:

- Deadsoft annealed wire bends easily. Use pliers if necessary for tight bends.
- Always wear gloves when bending to protect your hands.

### 4. Securing the Wire:

- Use appropriate fasteners or knots to secure the wire in place.
- Ensure that the wire is firmly secured to prevent it from coming loose during use.

### 5. Storage:

- Store the wire in a dry, cool place away from direct sunlight.
- Keep the wire coils neatly wound to prevent tangling.

## **Disposal Instructions**

- Dispose of any unused or damaged wire in accordance with local waste disposal regulations.
- Do not dispose of the wire in regular household waste if it is contaminated with hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please consult your local distributor or visit the manufacturer's website for more information.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with the BLACK IRON WIRE. Always prioritize safety and adhere to the guidelines provided to mitigate any risks associated with the use of this product. Thank you for your attention and safe handling!
