## Easily and Cheaply Fill Action Recesses Re-use Clay Filler Over & Over

Use this simple, inexpensive clay to prevent bedding headaches! Fill recesses or voids around the triggerguard, magazine cut, or any machine cuts ahead of or behind the recoil lug. Prevents bedding material filling those voids and making action removal very difficult!

## Attributes

- Name: [BROWNELLS MODELING CLAY](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 046100002
- Mfr. No.: 20
- Delivery weight: 0.885kg
- Shipping height: 36mm
- Shipping width: 74mm
- Shipping length: 211mm
- UPC: 047114000205

# Safety Instruction Guide for Brownells Modeling Clay

## Introduction

Thank you for choosing Brownells Modeling Clay. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the modeling clay.

## General Safety Guidelines

- Ensure safe use of the modeling clay by following these guidelines:
  - Keep the modeling clay out of reach of children and pets.
  - Use the clay in a wellventilated area to avoid inhalation of any dust or particles.
  - Avoid prolonged skin contact. Wash hands after use.
  - Do not ingest the modeling clay. It is not a food product.
  - Store the modeling clay in a cool, dry place away from direct sunlight and heat sources.

## Specific Safety Precautions for Use

- When using Brownells Modeling Clay, please observe the following precautions:
  - Check the clay for any signs of damage or contamination before use.
  - Use gloves if you have sensitive skin or allergies.
  - Avoid using the clay near open flames or high temperatures.
  - Do not mix the modeling clay with other substances unless specified by the manufacturer.
  - If irritation occurs, discontinue use and consult a medical professional.

## Instructions for Installation and Usage

- Follow these steps for effective installation and usage of the modeling clay:
  1. Clean the area where the clay will be applied to ensure proper adhesion.
  2. Take a small amount of modeling clay and knead it until it is pliable.
  3. Fill any recesses or voids around the trigger guard, magazine cut, or machine cuts with the clay.
  4. Smooth the surface of the clay to ensure a uniform application.
  5. Allow the clay to set in place as needed before proceeding with further work.
  6. When finished, carefully remove the clay to prevent damage to the underlying surfaces.

## Disposal Instructions

- Dispose of any unused or waste modeling clay responsibly:
  - Do not dispose of the clay in waterways or public spaces.
  - Wrap the modeling clay in a plastic bag and dispose of it in the household waste.
  - Check local regulations for any specific disposal instructions related to nontoxic materials.

## Contact Information for Further Support

- For any safety inquiries or further support, please contact the manufacturer directly using the contact information provided on the product packaging or website.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with Brownells Modeling Clay. Your safety is our priority, and we encourage you to report any unsafe products or

incidents to the appropriate authorities. Thank you for your attention to these important safety measures.
