

9MM/40S&W +5 EXTENDED BASE PADS FOR GLOCK® - ARREDONDO PLUS 5 BASE PAD W/SPRING FITS GLOCK 17, BLACK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Floorplates](#)

Provides Extra Capacity For High-Capacity Magazines

Two-piece, synthetic base pad increases the cartridge capacity of pre-ban, Glock® magazines without compromising reliability. Impact-resistant pad locks securely to the magazine body; removes quickly and easily with the supplied compression tool. Wolff, 10% extra power spring ensures reliable feeding. Checkered, bottom panel allows positive, non-slip, mag changes. Plus 5 extends pre-ban magazines to 140mm. Adds +6 rounds to 9mm, +5 to .40 S&W. USPSA Limited legal.

Safety Instruction Guide for 9MM/40S&W +5 Extended Base Pads for Glock® Arredondo Plus 5 Base Pad

Introduction

Thank you for choosing the 9MM/40S&W +5 Extended Base Pads for Glock® Arredondo. This guide provides important safety instructions to ensure proper use and handling of the product. Please read this document carefully to understand how to use the base pads safely and effectively.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with Glock® magazines. Ensure that you follow all instructions to avoid risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. In case of a recall, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of updates regarding product safety through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the base pad is compatible with your Glock® model (specifically Glock 17).
- **Installation:** Use the supplied compression tool for installation to avoid damaging the magazine or base pad.
- **Inspection:** Regularly inspect the base pad and spring for wear and tear. Replace any damaged parts immediately.
- **Loading:** Do not exceed the recommended cartridge capacity. Overloading can cause malfunctions or damage.
- **Handling:** Handle the base pad with care, especially when loading or unloading the magazine.
- **Storage:** Store the product in a cool, dry place away from direct sunlight to prevent degradation of materials.

Instructions for Installation and Usage

1. Installation:

- Ensure the magazine is unloaded and safe to handle.
- Use the supplied compression tool to attach the base pad securely to the magazine.
- Check that the base pad is locked into place and does not move.

2. Usage:

- Load the magazine with the appropriate number of cartridges (up to +6 rounds for 9mm and +5 rounds for .40 S&W).
- During use, ensure that the magazine is properly seated in the firearm.
- Practice safe handling of firearms at all times.

3. Maintenance:

- Clean the base pad and magazine regularly to ensure reliable operation.
- Replace the spring with a Wolff 10% extra power spring if you notice feeding issues.

Disposal Instructions

- Dispose of the product responsibly. Follow your local regulations for the disposal of synthetic materials and metal components.
- Do not throw the product in regular household waste. Instead, seek out recycling programs that accept plastics and metals.

Contact Information for Further Support

For any questions or concerns regarding the use of the 9MM/40S&W +5 Extended Base Pads for Glock® Arredondo, please consult the product packaging or the manufacturer's website for the appropriate contact information.

By following these guidelines, you can ensure a safe and effective experience with your new base pads. Thank you for your attention to safety!
