# BORE CLEANER IOSSO BORE CLEANER Safety Instructions

## Introduction

Thank you for choosing the IOSSO Bore Cleaner. This product is designed to effectively clean and maintain your firearms by removing fouling, carbon burn, moly, plastic wad residue, and even surface rust. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the IOSSO Bore Cleaner by following the instructions provided.
- Be aware that the product is noncorrosive and will not harm metal or stock finishes.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for any updates or recalls related to the product on the EU Safety Gate platform.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water and seek medical advice.
- Use in a wellventilated area to minimize inhalation of fumes.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Store the product in its original container, tightly closed, and in a cool, dry place.
- Do not mix with other cleaning agents or chemicals unless specified.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Gather all necessary cleaning tools and materials.

### 2. Application:

- Squeeze a small amount of IOSSO Bore Cleaner paste onto a cleaning patch or brush.
- Apply the paste directly to the bore of the firearm.
- Allow the cleaner to sit for a few minutes to penetrate fouling.

### 3. Cleaning:

- Use a cleaning rod with an appropriate brush or patch to scrub the bore thoroughly.
- Wipe the bore with a clean patch to remove residue.
- Repeat the application if necessary, depending on the level of fouling.

### 4. Final Steps:

- After cleaning, ensure all residue is removed from the bore.
- Reassemble the firearm and perform a function check before use.

## Disposal Instructions

- Dispose of any unused product and cleaning materials in accordance with local regulations.

- Do not pour the product down drains or dispose of it in the environment.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the IOSSO Bore Cleaner, please reach out to the designated EU contact point provided on the product packaging or your purchase receipt.

Thank you for prioritizing safety while using the IOSSO Bore Cleaner. Enjoy the benefits of a clean and well-maintained firearm!
