AR15/M16 ELIMINATOR™ AR15 BRUSH PAK Safety Instruction Guide

Introduction

Thank you for choosing the AR15/M16 ELIMINATOR™ AR15 BRUSH PAK. This product is designed to provide effective cleaning for your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that your firearm is unloaded before cleaning.
- Keep the cleaning brushes out of reach of children and vulnerable individuals.
- Inspect the brushes for any damage before use. Do not use damaged brushes.
- Use the brushes only for their intended purpose, as specified in the product description.
- Store the cleaning brushes in a cool, dry place away from direct sunlight.
- Be aware of the potential hazards associated with cleaning firearms, including the risk of accidental discharge.

Specific Safety Precautions for Use

- Wear protective eyewear to prevent debris from entering your eyes during cleaning.
- Use the brushes gently to avoid damaging the bore or aluminum components of your firearm.
- Avoid using excessive force when cleaning to prevent injury or damage.
- Ensure proper ventilation in your cleaning area to avoid inhaling any cleaning residues.
- Do not leave cleaning products unattended, especially around children or pets.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the AR15 Brush Pak.

2. Using the Brushes:

- Select the appropriate brush for the part of the firearm you are cleaning:
 - Bore Brush: For cleaning the .223/5.56mm bore.
 - Upper Receiver Brush: For cleaning the upper receiver.
 - Chamber Brush: For cleaning the chamber.
 - Bolt Carrier Brush: For cleaning the bolt carrier.
- Insert the selected brush into the appropriate area and gently scrub to remove debris and fouling.
- Rinse the brush under warm water after use to remove any cleaning residues.

3. PostCleaning:

- Allow all brushes to dry completely before storing.
- Store the brushes in the provided case to prevent damage and contamination.

Disposal Instructions

- Dispose of any damaged or worn brushes in accordance with local regulations.
- Do not dispose of brushes in a manner that could pose a risk to the environment or public safety.

- If you have any questions about disposal, consult your local waste management authority.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the contact information provided with your product. Ensure that you have the product details readily available for assistance.

By following these guidelines, you can ensure safe and effective use of the AR15/M16 ELIMINATOR™ AR15 BRUSH PAK. Thank you for your commitment to safety.
