## losso Eliminator AR-15 and AR.308 Rifle Complete Cleaning Kit

Clean the gas tube with-out disassembly. . .And 5 other hard to clean areas!!! This cleaning kit contains 6 precision fit brushes. The brushes clean the Upper Receiver, Chamber, Bolt Carrier, the Bore, the Bolt Carrier Key Tube and the Gas Tube. The Gas Tube Brush cleans the entire length of Gas Tube without disassembly of the upper receiver. The kit also includes the Eliminator Cleaning Handle & Rod to be used with the Upper Receiver Brush, Chamber Brush and Bolt Carrier Brush. The handle attaches to the Bore Cleaning Rope. The handle can be used with any Brush to clean pistol bores, chambers, revolver cylinders, neck turning, case cleaning, or can be used for tight cleaning jobs where a regular rod is too long and cumbersome to use. A handy accessory pouch is included to carry all of the components of the kit including the solvents. The losso Bore Cleaner and losso Triple Action Oil Solution are recommended cleaners to be used with the kit and are sold separately. Reduces Cleaning Time, Increase Accuracy!

## Safety Instructions

### Introduction

Thank you for choosing the AR15/M16 ELIMINATOR™ AR15 CLEANING KIT. This cleaning kit is designed to help you maintain your firearm efficiently and safely. Please read this safety instruction guide carefully to ensure proper usage and to minimize risks associated with the use of this product.

### General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded before cleaning.
- Ensure that you are in a safe environment when using this cleaning kit, away from children and unauthorized individuals.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Use this cleaning kit only as intended and described in this manual.
- Inspect all components of the cleaning kit for damage before use. Do not use damaged tools.
- Keep the cleaning kit and all its components out of reach of children.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Use the Gas Tube Brush only for its intended purpose; do not attempt to clean other areas with it.
- Ensure that the cleaning handle is securely attached to the brushes before use.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the cleaning tools.
- Wear safety glasses when using cleaning solvents to protect your eyes from splashes.
- Use cleaning solvents in a wellventilated area to avoid inhalation of harmful vapors.
- Do not ingest any cleaning solvents or allow them to come into contact with skin.
- Follow the manufacturer's instructions for any cleaning solvents or oils used with this kit.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure your firearm is unloaded and in a safe condition.
- Gather all components of the cleaning kit, including brushes, cleaning rope, and solvents.

#### 2. Cleaning Procedure:

- Attach the appropriate brush to the cleaning handle.
- Use the Bore Cleaning Rope to clean the bore of the firearm. Follow the specific instructions provided with the rope.
- Use the Upper Receiver Brush and Chamber Brush as needed to clean respective areas.
- For the Gas Tube, insert the Gas Tube Brush carefully into the tube and clean the entire length without disassembly.

#### 3. PostCleaning:

- After cleaning, ensure all components are dry and free from cleaning solvents.
- Store the cleaning kit in a safe and dry place, away from children and pets.

## **Disposal Instructions**

- Dispose of any used cleaning solvents and materials in accordance with local regulations.
- Do not dispose of cleaning solvents in household trash or down drains.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this cleaning kit, please refer to the manufacturer's website or contact their customer support. Ensure you have the product details ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your AR15/M16 ELIMINATOR™ AR15 CLEANING KIT. Thank you for your attention to safety and proper usage.
