

308 AR CLEANING BRUSH SET - IOSSO PRODUCTS AR-308 BRUSH SET

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Rifle Cleaning Kits](#)

Tough Nylon Brushes Sized To Fit The "Big" AR

Dense, long-lasting Nyflex™ nylon brushes flex more than bronze brushes, so you can scrub back and forth in tight spaces without getting the brush stuck – or risking damage to the bore. Kit contains distinctive blue brushes precisely sized to clean the upper receiver, chamber, bolt carrier, and bore of any AR-style .308 rifle. Tightly-wound bristles offer more cleaning area per inch, and the solid brass brush core won't scratch steel or aluminum.

Safety Instruction Guide for 308 AR Cleaning Brush Set

Introduction

Thank you for choosing the 308 AR Cleaning Brush Set by IOSSO Products. This guide provides essential safety instructions to ensure the safe use of this product. Please read this manual carefully before using the cleaning brush set to prevent accidents and ensure effective cleaning of your ARstyle .308 rifle.

General Safety Guidelines

- Ensure the product is used only for its intended purpose: cleaning firearms.
- Keep the cleaning brushes out of reach of children and vulnerable individuals.
- Inspect the brushes before each use for any signs of wear or damage.
- Do not use the brushes if they are damaged or if the bristles are frayed.
- Always follow local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the brushes only on the specified parts of the rifle: upper receiver, chamber, bolt carrier, and bore.
- Avoid excessive force when scrubbing to prevent damage to the firearm.
- Use the brushes in a wellventilated area to avoid inhaling any cleaning residues.
- Wear protective eyewear to prevent debris from entering your eyes during cleaning.
- Do not immerse the brushes in water or any cleaning solution; clean with a dry cloth only.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the cleaning brush set and a cleaning cloth.

2. Using the Brushes:

- Select the appropriate brush for the part of the firearm you wish to clean:
 - Upper Receiver Brush
 - Chamber Brush
 - Bolt Carrier Brush
 - Bore Brush
- Attach the chosen brush to a cleaning rod with the 832 male threads.
- Gently insert the brush into the designated area, moving back and forth to remove debris.
- After cleaning, remove the brush and clean any remaining residue with a dry cloth.

3. PostUsage Care:

- Wipe the brushes with a dry cloth after each use to remove any cleaning residues.
- Store the brushes in a dry place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged brushes in accordance with local waste disposal regulations.
- Do not dispose of the brushes in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or support regarding the 308 AR Cleaning Brush Set, please refer to the EUbased contact provided with your product purchase.

By following these safety instructions, you can ensure a safe and effective cleaning experience for your firearm. Thank you for your attention to safety.
