

IOSSO NYFLEX RIFLE BORE BRUSHES - IOSSO PRODUCTS IOSSO RIFLE BRUSH 6MM, .243 CAL

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough, long-lasting bore brushes thoroughly clean handguns, rifles and shotguns. Distinctive blue Nyflex bristles flex more than bronze, letting you scrub back and forth without fear of getting the brush stuck in the bore. Easily scrubs out all types of fouling, and the brass wire brush core won't scratch the bore. Handgun and rifle brushes have 8-32 male threads, and shotgun brushes have 5/16-27 male threads. Sold as single brushes.

IOSSO NYFLEX RIFLE BORE BRUSHES Safety Instructions Guide

Introduction

Thank you for choosing the IOSSO NYFLEX RIFLE BORE BRUSHES. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the bore brushes.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose: cleaning rifle bores.
- Always handle firearms safely and follow all applicable laws and guidelines related to firearm safety.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Regularly inspect the bore brushes for any signs of wear or damage before use.
- If you notice any damage or excessive wear, discontinue use immediately and replace the product.

Specific Safety Precautions for Use

- Use the bore brushes only with compatible firearms to avoid accidents or damage.
- Always ensure the firearm is unloaded before cleaning. Check the chamber and magazine.
- Avoid using excessive force when scrubbing to prevent damage to the bore or the brush.
- Do not use the bore brushes with harsh chemicals or solvents that may damage the bristles or core.
- Store the brushes in a cool, dry place away from direct sunlight to maintain their effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the IOSSO bore brush, cleaning solvent, and a cleaning rod.

2. Installation:

- For rifles and handguns, attach the bore brush to a cleaning rod with an 832 male thread.
- For shotguns, use the 5/1627 male thread to attach the bore brush to the cleaning rod.

3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the bore brush into the chamber and push it through the bore.
- Scrub back and forth gently to remove fouling and debris.
- Repeat the process as necessary until the bore is clean.
- After cleaning, remove the brush and clean the firearm as per manufacturer guidelines.

Disposal Instructions

- Dispose of the bore brushes responsibly. Do not throw them in regular household waste if they are damaged.
- Check local regulations for the proper disposal of cleaning products and materials.
- If the bore brush is no longer usable, consider recycling where possible.

Contact Information for Further Support

For any inquiries regarding safety or product use, please contact the manufacturer directly through the provided contact information.

Thank you for following these safety guidelines. Your safety and the effective use of the IOSSO NYFLEX RIFLE BORE BRUSHES are our top priorities.
